DO YOU LIKE VANILLA FLAVOR?

You probably do not if you have been using that made from Beans which is necessarily weak on account of the high cost of Beans or that made from a combination of Beans and in such clumsy proportion that you do not get the real flavor. It is a rather dainty, elusive flavor which is blended and perfected by the use of choice Mexican Beans, Conmarin and Vanilla and bottled under

CLIMAX BRAND

It imparts a smoothness and deliciousness to your Ice Cream, Cakes and etc. Try it, 10c and 25c bottles.

WESTERN REALISM.

"By George! This is a rare sight!" exclaimed the eastern tourist in an Arizona village. "A real stage coach chugging along full of passengers! I wouldn't be at all surprised to see a pair of robbers dash out from behind a bowlder and hold it up at any moment."

"If you'll keep your eye on it a minute or two that's just what you'll see," drawled a native. "That there outfit belongs to a movin' picture concern. All them people aboard is actors an' they're fixin' to pull off a holdup for a new film."

The Inexactness of Science.
The professor looked profound. He extolled the wonders of nature. "The glorious sun makes all things grow," he asserted, axiomatically speaking. "How about leucis?" ventured the freshman.

Oh, That's Different!
"I thought you told me that you would not contract any new debts without my knowledge," howled Mr. Gabb as he tore up a bunch of dunning letters. "I haven't, my dear," replied Mrs. Gabb. "I merely expanded some of the old debts."

HE KNEW THEM.

Willie—Say, pop, what is a multi-millionaire?
His Father—A man who under protest pays tax on about \$200,000.

Classified Laughter.
The kinds of laugh are far apart. As far as honesty from sham: Some of us laugh with mind and heart. Some merely use the diaphragm.

Presumably.
"Parrots come from South America, don't they?"
"I believe so."
"Then what land does the raven come from?"
"Why, from Poe-land."

Such a Rudeness.
Her—No matter how smart a man is, he is sure to meet some other man sooner or later who is smarter.
Him—Yes; and about ten thousand suffragettes who think they are.

Delicate Suggestion.
"Women certainly have a mania for cheap things."
"Maybe that is how your wife happened to take you."

The Difference.
"Queer, isn't it, about sowing wild oats?"
"What's queer?"
"That they raise a crop of lemons."

The Reason.
"I wonder why so many men marry their typewriters?"
"I suppose they think it their only chance of being the family dictator."

Prime Requisite.
"What is the first step toward vessels starting on their cruise?"
"I should think it was crews starting on their vessels."

WAS MA LISTENING?

"The history says, pa, that the English fled before Joan of Arc."
"Well, what of it?"
"Would you run if a woman was after you?"

His Feat.
"When that hotel keeper pursued his escaping defrauding guest to the steamer and had the fugitive arrested, he did a most unusual thing in his profession."
"How so?"
"He boarded a vessel and lodged a complaint."

Poor Father.
Young Wife—Your mother a fine cook? I don't believe it. I've heard your father was a chronic dyspeptic.
Husband—Well, that's all right; my mother learned by practicing on father.

(Continued from page one.)

Cook the onion to golden brown in the butter, add tomato juice, salt and pepper. Dredge the rabbit with flour and brown in the bacon fat, as soon as the meat is a rich brown, add the tomato sauce and water and cook very slowly until tender, on the back of the stove or in a fireless cooker.

Brown Beef Stew.

Buy the knee joint from the hind quarter. At the highest price it will not be more than 15-25 cents. Cut out all of the meat and save the bone and shreds of meat for soup.

Cut the meat into small blocks and roll in flour. Try out about two tablespoons of beef suet or bacon fat and brown the fat. When rich brown cover the meat with boiling water, a cup of tomato sauce, salt and pepper and place the steam tight vessel where it cannot boil. A fireless cooker is of excellent merit when using very cheap meat. This is excellent.

Tomato Sauce.

Tomatoes, 1 cup.
Onion, 1 medium.
Parsley, 1 sprig.
Butter, 1 tablespoon.
Flour, 1 tablespoon.
Salt and pepper to taste.

Cook the onion to golden brown in the butter. Heat the tomatoes and parsley and strain, add the flour to the onion and butter and turn the tomato juice into it. Stir until creamy and add to the stew.
