Why this man bought a Remington Junior Typewriter

"I have been investigating several of the recent makes of machines, seeking for one of simple construction for ordinary manuscript and letter writing. I was nearly ready to buy a machine of another make when I just happened to see for the first time the Remington Junior, and found it to be the very thing I wanted.

The man who wrote this is the postmaster of a small Southern town. He is only one of thousands who have recently bought a Remington Junior. But his reasons apply to everybody—they apply to YOU.

The Remington Junior is our latest product and the latest idea in typewriting.

It is strictly a high-grade machine.

It has the Remington Name, the Remington Guarantee, the Remington Quality—everything Remington except weight and bulk.

A "Simplified Remington" describes it exactly.

And its price is \$50.00

Remington Junior Typewriters will be sent "on examination," without obligation to purchase.

Easy payment terms can be arranged if desired.

Please send me your illustrated descriptive booklet on the Remington Junior Typewriter. I shall be glad to have you send me a Remington Junior Typewriter on examination. This request does not obligate me to purchase.

NOTICE.

I wish to call attention of dog owners or those who have dogs in their possession, or those laying minor children who have dogs, that the license tax on dogs in the town of Ahoskie is long since past due. This is the last time you will be asked to pay it.

If you do not pay same to H. W. Stokes, Treas. of the Town, who will give you proper receipt for same on or before Oct. 4th. I am advised by the commissioners to proceed to collect by warrant. This becoming necessary you may rest assured that the cost of collecting will in every case be added to the tax.

Should you be inclined to question my right to collect this tax by law, I refer you to a recent decision of the Supreme Court handed down by Chief Justice Clark, and headed "Warren Dog Law Upheld," which appears in this issue of the Hertford County Herald.

Take notice, and do not blame me if you fail to attend to this matter.

Ever Salivated By Calomel?

Horrible!

Calomel is quicksilver and acts like dynamite on your liver.

Calomel loses you a day! You know what calomel is. It's mercury quicksilver. Calomel is dangerous. It crashes into your bile like dynamite, cramping and sickening you. Calomel attacks the bowels and should never be put into your system.

When you feel bilious, sluggish, constipated and all knocked out and believe you need a dose of dangerous calomel just remember that your druggist sells for 50 cents a large bottle of Dudson's Liver Tonic, which is entirely vegetable and pleasant to take and is a perfect substitute for calomel. It is guaranteed to start your liver without stirring you up inside, and can not salivate.

Don't take calomel! It makes you sick the next day; it loses you a days work. Dudson's Liver Tonic straightens you right up and you feel great. Give it to the children because it is perfectly harmless and doesn't gripe. Adv.

No. 666

This is a prescription prepared especially for MALARIA or CHILLS & FEVER. Five or six doses will break any case, and if taken when as a tonic the fever will not return. It acts on the liver better than Calomel and does not gripe or sicken.

To Drive Out Malaria

And Build Up The System
Take the Old Standard GROVE'S TASTELESS CHILL TONIC. You know what you are taking, as the formula is printed on every label, showing it is Quinine and Iron in a tasteless form. The Quinine drives out malaria, the Iron builds up the system. 50 cents.

Must Build One's Own Fortune.

Men are the architects of their respective fortunes. It is the fiat of fate, from which no power of genius can absolve you. Genius, unexercised, is like the poor moth that flutters around a candle till it scorches itself to death.—William Wirt.

Whenever You Need a General Tonic

Take Grove's
The Old Standard Grove's Tasteless Chill Tonic is equally valuable as a General Tonic because it contains the well known tonic properties of QUININE and IRON. It acts on the Liver, Drives out Malaria, Enriches the Blood and Builds up the Whole System. 50 cents.

THE GUMMIES THAT DOES NOT AFFECT THE STOMACH

Because of its tonic and laxative effect. LAXATIVE BROUQUER QUININE is better than ordinary Quinine and does not cause nervousness nor irritate the head. Remember the full name and look for the signature of W. GROVE, 50c.
