Dr. Bell's Pine Tar Honey.
For your cold, for your cough,
for your feverish throat, nose and
head, use Dr. Bell's Pine Tar Honey.
Honey soothes the irritation,
Pine Tar cuts the phlegm, thus
relieving congestion. Pine Tar
also acts as an antiseptic, as a result
relief follows. Breathing be-
comes easier and further inflamma-
tion is arrested. Insist on Dr.
Bell's Pine Tar Honey. It is an
ideal treatment. Price 25c.

North Carolina Lay- men's Convention.

State Branch of World-Wide Lay-
men's Missionary Movement to
Meet at Greensboro.

Again the Christian men of the
nation are being called to meet in
Convention by the Laymen's Mis-
sionary Movement. Six years ago
75,000 met in 75 leading cities of
the country. Since then, as a re-
sult, in part, of these inspiring
gatherings the men of the church
of God have had a more intelligent
conception of God's plan for them
and unprecedented advances have
been made in the missionary enter-
prise. However, it is estimated
that only about one-half of the
members of our churches are vitally
interested in the cause of
Missions, Home and Foreign.
The problem of arousing the slum-
bering half concerns those awake.
Recently great changes have taken
place in the world, creating new
conditions and imposing us addi-
tional responsibilities.

"The earnest expectation of the
creation waiteth for the revealing of
the sons of God."

A needy, hungry, weary world is
calling us. Has not America come
to the Kingdom for such a time as
this? President Wilson asks,
"Have we lost the vision of Amer-
ica? Have we forgotten that
America was intended for the ser-
vice of mankind?" The hours are
pregnant with possibilities. "We
must not meet these golden hours
with leaden feet."

And so we meet.
To consider new world conditions
and America's enlarged respon-
sibility.

To study the missionary progress
of recent years.

To project plans looking towards
the accomplishment of our whole
missionary duty.

To emphasize the adequacy of the
Gospel to meet modern social
conditions.

To increase the spiritual power
and efficiency of the local church.

To secure the general use of the
best methods of missionary ed-
ucation and finance.

To inspire laymen to take their
part in the extension of the
Kingdom of Christ.

The North Carolina Convention
is to be held in

GREENSBORO

and we want 2,500 registered dele-
gates to attend.

We call the men of the Old
North State to meet with us.

Men from the 'Ocean's shore to
the mountain tops.

Men from factory and farm, of-
fice, store, shop, from the rail-
roads, mills and mines, from the
city, town and open country.

Pastors and laymen from all the
denominations. Together let us
wait upon the Lord and renew our
strength.

Card of Thanks

I take this method of thanking
my friends and neighbors, and es-
pecially Doctors Walker and
Greene for the assistance and many
favors shown me during the recent
illness and death of my aged moth-
er; also the sickness which came
to my home while I was away at-
tending to the burial of my mother.

These came in an hour of need,
and were much appreciated.

Annual Report of Pres- ident of University.

Rapid Growth, and Large Increase in
Enrollment—Extension Bureau
Doing a Good Work.

Chapel Hill, N. C., Feb. 3.—The
report of the President of the Uni-
versity, just issued, shows a re-
markable progress for the insti-
tution in all departments. The total
number of students registering up
to the present, excluding dupli-
cates, in the regular courses, is
1123. The total including the
summer school is 1823. This to-
tal represents a growth over last
year of 300, and the total growth
in the past five years of one thou-
sand. The patronage of the Uni-
versity is representative of the
whole State. Ninety-three and
one-half of its regular students are
from North Carolina. Practically
all of its summer students are from
North Carolina. Nine-tenths of
the counties are represented in the
regular term, and all the counties
in some of its activities. All pro-
fessions and all denomination pa-
tronize it in proportion to their
numbers.

The report points out that the
development of the State in educa-
tion and in material advancement
is such that this rate of growth
may be easily maintained, and even
increased so that the number of
students throughout the year, five
years from now, may well be four
thousand; but that to meet the de-
mands now made upon the insti-
tution, and the increased demands
that will be made upon it, the qual-
ity of its work must not be sacri-
ficed to the quantity, but on the
contrary the standard of work of-
fered and the opportunities offered
be steadily advanced.

The business organization and
efficiency standards employed in
the management were outlined,
showing careful economy in ad-
ministration. The spirit and con-
duct of the students were highly
commended. The magnitude of
the work of the extension bureau
and the new, progressive steps in
the internal administration of the
college are pointed out. During
the year a considerable number of
gifts were received. The summer
school for teachers for the coming
summer will begin June fifteenth.
Even with increased facilities that
will be offered, the capacity of
the school will be taxed by those
who will attend.

Mrs. Annie Marie Pearce.

Miss Annie Marie Pearce, of
Phoebe, Va., was brought here
very ill some time ago to the home
of her son, Mr. J. F. Pearce,
where she died Sunday morning,
January 9, 1916, at the advanced
age of 73.

She was a Miss Salter before she
was married, and was born and
reared in Beaufort, N. C.

She is survived by the following
children: Walter J., Hampton,
Va., Joseph P., Washington, D.
C., Arthur D., Suffolk, Va., J.
Frederick, Ahoskie, Ike, Ports-
mouth, Va., Ernest M., Newport
News, Va., and Mrs. Rosa Jones,
Norfolk, Va. Her husband, Isaac
Pearce, now lives in Norfolk, and
her surviving sister, Mrs. Nancy
Longest, and two brothers, Thos.
D. and John D. Salter, reside at
Beaufort.

Besides these, she leaves 16
grand children, and one great
grand child.

She was taken to the old home
and buried beside her parents in
the family cemetery at Beaufort,
N. C.—Reported.

Sciatica's Piercing Pain.

To kill the nerve pains of Sci-
atica you can always depend on
Sloan's Liniment. It penetrates
to the seat of pain and brings ease
as soon as it is applied. A great
comfort too with Sloan's is that
no rubbiness is required. Sloan's
Liniment is invaluable for stop-
ping muscular or nerve pain of
any kind. Try it at once if you
suffer with Rheumatism, Lumbago,
Sore throat, Pain in Chest, Sprains,
Bruises, etc. It is excellent for
Neuralgia and Headache. 25c. at

Hertford County Teach- ers' Association.

The teachers are called to meet
on Friday, the 11th of February,
in the Court House in Winton, at
10:30 o'clock. This will be an
important meeting, and every
member will be expected to take
an active part. Reports will be
called for on the following:

1st. Enrollment. How the roll
compares with the census of the
district, whether or not the chil-
dren are in school; if not, where
they are and what efforts have
been made to get them in school.

2nd. The Township Teachers'
Meetings. Have all the teachers
in the township attended when not
provisionally hindered? How
much of the Reading Course has
been done and what plans have
been pursued.

3rd. Compulsory Attendance.
Whether children of compulsory
age are attending well; if not,
what is the cause?

4th. The County Commence-
ment. How much the teachers
are undertaking to do, and how
well they are succeeding. Reports
from all committees on County
Commencement.

Let all teachers dismiss their
schools to attend this meeting.

County Superintendent.

Former Student and Friend's Tribute to the Late W. D. Newsome.

On the 18th day of January,
1916, the Death Angel visited our
community and took from us our
neighbor and friend, W. D. New-
some, just twenty-four hours after
the death of his wife.

I wish to say something of the
life of this good man who was
both my teacher and friend. My
first acquaintance with him was
about fifty years ago, when I went
to school to him. He was faithful
to his duties, and did all in his
power to impress upon his stu-
dents the principles of right liv-
ing. He made impressions upon
me that have lasted till this day.
I can think of forty or fifty boys
and girls that went to his school
fifty years ago, and I recall that
only a few are now living. Among
them are Samuel Weaver, Titus
Walden, Curlew Weaver, Nellie
Collins, William Boone, Arnel
Copeland, and myself. There are
some that I remember standing
around his knees with the old Blue
Back Speller. These, I am sure,
will join me in praising his name
for the many good lessons he
taught us.

But I had not begun to realize
his many good qualities then. It
was only when I began to assume
the responsibilities of a man that
I could more fully appreciate his
wise and kindly advice. His ad-
vice has always helped me and
some of his words have helped me
greatly in my efforts to make liv-
ing. Later on, when I was a mar-
ried man, he always visited me
and insisted on me coming to see
him. My home was one the last
that he visited and he did not fail
then to impress upon me some
very important truths. I feel in-
deed thankful for his many kind-
nesses to me and I know that his
life has a great help to me and to
the community at large. I wish
to extend my sympathy to the
family that he leaves behind. I
feel that I have not only lost a
friend and brother but almost a
father as well.

It makes me sad indeed when
I think how he used to call the
roll of his scholars fifty years ago
and marked those present with
his good goose quill pen. Most
of that number have passed away
and the few that are here will soon
be called to answer the summons
from above. We shall not see
our friends in this world, but may
our lives be such that we shall all
see him in the fairer and better
Land above. With these few
words I close, trusting all in the
care of One who doeth all things
well.—P. D. Collins.

Aulander News

Compiled and Arranged for Herald
Readers by our Regular
Correspondent.

Our farmers are beginning to
think of the quantity and quality
of the fertilizer they are to use
this season. The very high prices
prevailing this year and the inabil-
ity of fertilizer dealers to secure
any amount of potash whatever
combine to make the proposition a
most difficult one to be met. Cot-
ton Seed Meal contains a higher
percentage of available potash
than any moderately priced fertil-
izer on the market.

We are glad to note that Mr. C.
T. White and family have return-
ed to our town. They are at home
on North Harmon Street.

Mr. Wiley Early of this town
was in Norfolk a few days last
week.

The Union Meeting, which con-
vened with the Aulander Baptist
Church, Friday, Saturday and
Sunday was largely attended and
proved quite an interesting session.
Messrs. Madrey and Thompson of
Raleigh and Dr. Spillman of Kin-
ston delivered splendid addresses.
The Introductory sermon by Rev.
T. C. Keaton of Murfreesboro was
a masterly address and the Mis-
sionary sermon by Rev. Mr. Watson
of Winton, proved to be a power-
ful message and was thoroughly
enjoyed. Mr. Watson delivered a
second splendid sermon Sunday
evening. Rev. Braxton Craig, of
Asheville, advocating the Judson
Centennial, and Pres. G. E. Line-
berry, of Chowan College, were
also present.

Mr. W. T. Holloman, of Ahos-
kie, was in our city last week.

Mr. Herbert Jenkins was in
Fayetteville last Wednesday in in-
terest of the Aulander Live Stock
and Supply Company.

The handsome new residence of
Mr. W. M. Parker proves quite
an addition to West Main Street.

Mrs. J. L. Pritchard, of Wind-
sor, is spending the week with her
parents, Mr. and Mrs. G. W.
Mitchell.

Mr. C. C. Early has accepted a
position in Portsmouth, Va., and
is at present sojourning in that
city.

The many friends of Mrs. G. C.
Mitchell are sorry to hear of her
continued illness. We hope for
her a most speedy recovery.

The new registered druggist of
Mr. W. G. Mitchell will arrive
this week and report for work at
once.

The little son of Mr. J. R. Wil-
litt was taken to the Protestant
Hospital in Norfolk last week for
an operation on the tonsils. The
operation was reported successful
and the little fellow getting along
nicely.

Mrs. J. T. Holloman left Mon-
day for Tampa, Florida, where she
will remain two or three weeks
visiting friends and relatives.

The condition of Mr. W. H.
Mitchell remains practically un-
changed at this writing. His
friends, however are hopeful of
his immediate recovery.

The town of Aulander is sorely
in need of a new depot. The
writer believes that a united effort
on the part of the citizens of this
town would have much weight
with the railroad authorities and
would result in the erection of a
depot that would be in keeping
with "the progressive Aulander,"
and that would meet the needs and
requirements of our people.

Mr. and Mrs. M. E. Rice have
returned from their bridal tour
through Florida, and are at home
on East Main Street.

The members of the Civic Im-
provement League of this city has
united its efforts and contributions
to those of the Trustees of the Au-
lander High School and the result
of this cooperation has been the
purchase of opera chairs for the
school auditorium. The chairs
will be installed at once.
