**This Is Pay-Up-Month.**

December will be Pay-Up-Month at the HERALD sanetum! It takes MONEY to run a newspaper, and this paper is no exception. Several weeks ago we mailed to our delinquents statements of their subscription account. Many have promptly settled; but there are still others who have remained shut up as tight as clams. We are not that prosperous as to give the paper away which extracts the coin from the Herald's coffers each week.

New subscribers are daily coming in, and many new names will be on the 1918 list, which makes it even more imperative that our delinquents pay up, as more paper, ink, labor, and other costly materials are used by us in the publication of this paper than ever before.

New improvements the first of the year, high cost of everything and the addition of new subscribers force us to place the paper on a strictly PAY-IN-ADVANCE basis January 1, 1918. Only one month of grace!

**SPECIAL TERM OF COURT**

Governor Bickett, upon the petition of the Hertford County Board of Commissioners, has ordered a special term of Superior Court for this County, to begin on the second Monday in January, 1918, and continue for one week. 'Owing to the heavy docket of civil cases which were on the October calendar, only a relatively small number were even called, leaving a very congested docket, including several cases that require immediate attention. Judge Jno. H. Kerr, of Warrenton, has been appointed to preside at this special term, which will be devoted solely to the civil docket.

The calendar for this term has not yet been arranged, and people in Ahsokie are wondering over what disposition will be made of the several cases arising out of the Graded School "mess." According to the decree of the North Carolina Supreme Court, the suits now pending in the Superior Court, involving the title to the office of three trustees, must be decided before the matter is righted.

In the meantime the acting trustees are placed to a great disadvantage in not being able to secure the funds that go for the support of the school. One of the suits now pending will solve this matter when finally tried.

**NUXATED IRON**

100% FORFEIT  
Increases strength of delicate, nervous, run-down people 100 per cent. in ten days in many instances. If you do not feel better in ten days, your money is refunded. **MEETING OF HERTFORD COUNTY RED CROSS.**

The Hertford County Red Cross Chapter met at Murfreesboro on November 14th. The Charter for the Hertford County Chapter was not received until October 9th, but various townships of the County have been working as auxiliaries since early summer. Murfreesboro was the first town in the County to undertake Red Cross work.

Sarah Vaughan, President of Norfolk Harrell Chapter U. D. C., called the first meeting on May 24th. In June, Winton, with Miss Louise Vann as leader, began the County Red Cross War Campaign Fund and the several other towns responded enthusiastically to the work.

Regardless of bad weather there was a good attendance of the meeting and much interest shown. Reports from each township represented were most encouraging and shows how busily each are engaged in raising money and making hospital garments and other supplies for the soldiers.

Our County Chairman, Mrs. T. B. Wynn, and Mrs. John Vann, as delegates from our Chapter to the Red Cross Convention in Raleigh Nov. 1 and 2, gave interesting reports from the convention.

The first box of supplies was sent from Winton, the Chapter's shipping point, on Oct. 29, to headquarters in Atlanta, the articles sent being as follows: Winton; pajama suits 9, towels 86, hospital bed shirts 15, handkerchiefs 36, convalescent robes 3, pillows and cases 8, wash cloths 48, napkins 36; Harrellville shipped two equipments the same number in each: bed shirts 4, pajama suits 3, convalescent robe 1, face towels 4, bath towels 2, handkerchiefs 6, wash cloths 3, socks 3, bed socks 2, slippers 1; Murfreesboro; bed shirts 48, pajama suits 30, napkins 50, towels 54, pillow and cases 34, bath cloths 60.

The other branches retained their supplies for the next shipment, which will be the first week in December, as they were completing a given number of articles.

Since our last meeting Holly Springs has joined our Chapter as a Branch and will be ready to contribute to our next shipment.

The big Christmas drive for new members and the getting of Christmas packages was discussed and the Chapter decided to work with renewed energy for each of these objects. We adjourned to meet in Winton on December 28th. Sara Vaughan, Secretary, Hertford County Red Cross.

They will interest you when you're in need of printing

**ENTERTAIN AT A SOCIAL**

Misses Lucille Walton and Alma Freeman were at home to their friends in Ahsokie, Saturday evening, November 24, at the residence of Mrs. Raney White. The hours were from half past eight to eleven o'clock, with the intervening time well taken up with interesting contests and an appetizing supper.

The light in the hall was a deep red, thus aiding in carrying out the color scheme of red, white and blue, the National colors, which were effectively displayed in the dining hall, where the large chandelier hanging over the center of the table radiated, together with its rays of lights, many red, white and blue swaths of crepe, which were fastened to the outer edges of the table.

The first of the evening's festivities was a game of Progressive Conversation, in which each young man made dates for a two-minute conversation on each of the following absorbing limitless subjects: War, Friendship, Rivals, Cupid's Darts, and Life-Time Partners. The second was a contest, in which each couple gave the wife's name, corresponding to several different vocations, as the life saver's wife—Caroline (carry-a-line). An index to the brilliant intellects making up the group were the correct answers given by every couple.

Just before going to supper, the name of a state was penned on each man's back and the corresponding capital city on a lady's shoulder, which, when matched, provided the couples for supper.

The table, besides its beautiful artificial decorations, was weighted down with a supper that was fit for the intrepid Germans at Hot Springs who have been accused of flagrantly violating the Food Conservation program. The refreshments consisted of potato salad and cakes, sandwiches and coffee, and cakes and fruit jelly.

After supper the remainder of the time was spent informally, Miss Walton furnishing instrumental music for the occasion.

Those present and enjoying the hospitality of Misses Walton and Freeman were: Misses Mina Holloman, Etta Banks, Irene Parker, Dorothy Vann, Ella Lee, Bettie Sessions, and Florence Gerock; Messrs. C. R. Hinshaw, Pembroke Baker, Paul Holloman, Clarence Perry, V. D. Strickland, James Vinson, and Roy Parker.

**Good Bye Lamps and Lanterns.**

The modern farm home, (house, barns and outbuildings) is now lighted with electricity. At the touch of a button a flood of the brightest light illumines the darkest corners.

When you go to the barn after dark turn the switch at the house and the barn is lighted ahead of you upstairs, down cellar, anywhere.

Electricity may now be had in any country home at a cost of but a few cents a day. Ask for a demonstration of Delco-Light at your home.

See display advertisement on page eight.

J. A. Eley, Tunis, N. C. Agent for DELCO-LIGHT. Adv't

**The Quinine That Does Not Affect the Head**  
Because of its tonic and laxative effect, LAXATIVE BROMO QUININE is better than ordinary Quinine and does not cause nervousness or ringing in head. Remember the full name and look for the signature of E. W. GROVE. 50c.

There is more Catarrh in this section of the country than all other diseases put together, and for years it was supposed to be incurable. Doctors prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Catarrh is a local disease, gre try influenced by constitutional conditions and therefore requires constitutional treatment. Hall's Catarrh Medicine, manufactured by F. J. Cheney & Co, Toledo, Ohio, is a constitutional remedy, is taken internally and acts thru the Blood on the Mucous Surfaces of the System. One Hundred Collars Reward will be paid for any case that Hall's Catarrh Medicine fails to cure— send for circulars and testimonials.
