## DELCO-LIGHT Increases Farm Efficiency

1. Saves time and labor—Work formerly done under poor light and by hand can be done better and in less time with the aid of electric light and power.
2. Labor is attracted to the farm—The "back to the farm" movement is made practical when the conveniences afforded by electric light and power can be had in the country.
3. Keeps the boys and girls on the farm—Electric service on the farm offsets city attractions. Valuable labor and valuable young manhood and womanhood are saved to the country community.
4. Solves the retired farmer problem—Electric light and power make the farm home so attractive and comfortable that the farmer and his wife remain on the farm where their advice, experience, and immediate interests are of great practical value.
5. Lightens burden of the housewife—Increased farm work in war times means increased labor for the housewife. Electricity offers the only practical means of taking the drudgery of household tasks from her shoulders.

Delco-Light is a compact electric plant for farms or country homes. Self-cranking. Air-cooled. Thick plate, long-lived battery. Ball bearings. No belts.

## AWAKE! YE MEN OF OLD NORTH STATE

Dedicated to the Liberty Loan  
W. B. Criddle

Awake! Ye men of Old North State;  
The tocsin sounds; Gird for the fight.  
Your country calls. Fall in! Fall in!  
For God, for Nation, Home and right.

Ye sons of sires, who bled and died,  
To set a subject people free,  
Prove worthy, standing side by side,  
In battle for sweet liberty.

Each wave, that laps the sandy shore,  
Brings message from the briny deep,  
And requiem sings, in sadness, o'er  
Our martyr deads eternal sleep.

The very winds, that westward blow,  
Give echo from the "Over There",  
Where Heroes face the savage foe,  
And challenge "Forward, if you dare!"

Do't hear the wail of babe and child,  
While sisters, mothers, in the power  
Of licensed fiends, lie slain, defiled,  
In this Creation's saddest hour.

To Arms! Young men; strike, while  
you may;  
Give answer, ere thy comrades fall.  
Stand forth! Ye elders, now, today,  
And dedicate they life, thy all.

The Altar of thy sacrifice,  
Is Freedom—By thy fathers given—  
Thy fuel's Zeal; thy flame is Love,  
That wafts the incense, Love, toward  
Heaven.

Awake! Ye men of Old North State;  
The tocsin sounds; Gird for the fight.  
Your country calls. Fall in! Fall in!  
For God, for Nation, Home and Right.

## Send for Swift & Company's 1918 Year Book

It shows that Swift & Company sells the meat from  
a steer for less money than the live steer cost!

Proceeds from the sale of the hide, fat, and other by-products  
covered all expense of dressing, refrigeration, freight, selling  
expense and the profit of \$1.29 per steer as shown by Swift &  
Company's 1917 figures as follows:

Average price paid for live cattle per steer	\$84.45
Average price received for meat	68.97
Average price received for by-products	24.09
Total received	93.06
This leaves for expenses and profit	8.61
Of which the profit per steer was	1.29

There are many other interesting and instructive
