## HOTELS MUST TOE THE MARK

Raleigh, April 15.—The hotel and restaurants men of North Carolina who have not been observing the conservation program of the Food Administration will be required to walk a chalk line from now on.

A number of North Carolina hotel men, with several hundred other important hotel men of the country, have pledged themselves to banish wheat products from their bills of fare until the next harvest. The Food Administration does not think that it is fair to the hotels and restaurants that are co-operating to the households that are co-operating, and least of all fair to our soldiers and the soldiers of our Allies in Europe to allow any unpatriotic, self-interested, establishments to disregard the wheat-saving program, and State Food Administrator Henry A. Page has addressed a frank, vigorous letter to the hotels and restaurants in the State which is designed to secure their immediate and rigid observance of the entire conservation program.

### WISCONSIN WAR

#### CROP CAMPAIGN

Apleton, Wis., April 15.—Outagamie County has started in on

a vigorous war garden drive this year. The County Council of Defense is distributing 5,000 copies of the war vegetable gardening primer from the National War Garden Commission, Washington, to help all the city farmers in this section who are out to increase the nation's food supply through the back yard and vacant lot. The indications are that there will be little "slacker land" around here this spring and summer.

Wm. H. Zuehlke, secretary of County Council of Defense, is pushing the campaign and calling on everyone to get busy with the hoe and the spade.

### Water Softened With Red Devil Lye

Cleans everything instantly. Soft water makes washing easy, and just a little Red Devil Lye in a tub of hard water softens it like rain-water.

With Red Devil wash water you use less than half the soap and the daintiest fabrics will be whiter than usual—with little or no rubbing—it's the rub that ruins.

#### Works Wonders

throughout the home. It will keep bath-tubs, wash bowls, toilets and kitchen sinks white, clean and sanitary. It whitens and removes grease spots from floors, windows, tile or marble, and does the household dirty work in a hurry—without trouble and with little expense.

Red Devil Lye also makes wonderful soap, peels peaches in a jiffy. It is the real housekeeper's friend.
