It did not rain the first day of June and has not rained any this section except just a few drops Tuesday morning, but nothing to speak of, all of which indicates that we will have a dry June and it goes for and old saying that a dry June never begs her bread. The outlook for a good crop is certainly good. It is remembered that it rained the first day of June last year and a forty days rain followed which cut the crops very short.

The results of Saturday's primary were not very surprising, due to the fact that but few offices had more than one candidate, hence under the law such candidates' names did not appear on the tickets.

There was a contest over the office of Sheriff. Mr. A. E. Garrett the present official and Mr. Bismark Scull were the candidates for this office, which resulted in the nomination of Mr. Scull, he receiving a majority of over 200 votes. Mr. E. J. Gerock the present com-

What is Hertford County doing in the last War Saving Campaign? Let's have a statement as to the amount bought by Hertford people.

Ahoskie is awake to the necessity of providing means for the prosecution of the war, and has done nobly in the recent Red Cross campaign the old town seemed to have awakened and every person and every agency in the town was "on its feet" and "up and going" to make Ahoskie go over the top... and from the way the campaign was progressing for a few days ago. Ahoskie must have done her part and she did it well.

A visit home and talks with the people of Ahoskie impress upon the writer the gladsome facts that Ahoskie is again united for a strong school, and a strong school she had during the past season. There are prospects for a great educational institution at Ahoskie, and the person or persons who do not preform their parts and vigorously are not worthy of the association that is thrown about them in the person of those who have labored hard in trying circumstances to give Ahoskie and its people the best school in the town's history.

The Blue and the Grey

Here's to Blue from the wind swept North, As they meet on fields of France; May the spirit of Grant be with you all! As the men from the North Advance Here's to the Grey from the sun-kissed South, As they meet on the fields of France; May the spirit of Lee be with you all. As the men from the South Advance, Here to the Blue and Gray as one As they meet on fields of France May the spirit of God be With us all As the men of the flag advance. S.S. Copeland Comp Jackson

REMEMBER THE LUSITANIA!

It is reported that the Captain of the submarine that sank the Lusitania has lost his mind. His little girl had been out in a rain-storm and came into the house wringing-wet-hat in hand and hair disheveled. The sight of this drove him crazy. We think he must have been crazy before he sank that ship.

Americans went down without warning. American women, with babes clinging to their breast, went down into the icy waters-down to their graves among the coral reefs. Our boys are trying to bring the bloody Huns to justice for just such as that-but guns wont shoot without bullets. One War-Savings Stamp will buy 100 bullets, and-

Cholera Morbus.

This is a very painful and dangerous disease in almost every neighborhood some one has died from it before medicine could be obtained or a physician summoned. The right way is to have a bottle of Chamberlain's Colic and Diarrhoea Remedy in the house so as to be prepared for it. Mrs. Charles Eneyart, Huntington, Ind., writes: "During the summer of 1911 two of my children were taken sick with cholera morbus. I used Chamberlain's Colic and Diarrhoea Remedy and it gave them immediate relief."

Sour Stomach.

This is a mild form of indigestion. It is usually brought on by eating too rapidly or too much, or of food not suited to your digestive organs. If you will eat slowly, masticate your food thoroughly, eat but little meat and none at all for supper, you will more than likely avoid the sour stomach without taking any medicine whatever. When you have sour stomach take one of Chamberlain's Tablets to aid digestion.

Has a Good Opinion of Chamberlain's Tablets. "Chamberlain's Tablets are a wonder. I never sold anything that beat them," writes F. B. Tressy, Richmond, Ky. when troubled with indigestion or constipation give them a trail. This is a prescription prepared especially for MALARIA or CHILLS & FEVER. Five or six doses will break any case, and if taken then as a tonic the Fever will not return. It acts on the liver better than Calomel and does not grip or sicken. 25c Send your job printing to the Herald office.
