CLUB ENCAMPMENT THIS WEEK

Below is Mr. E. W. Gaiher's letter to all the members of agricultural clubs in Hertford County. We hope that all farmers, whether they have a boy or girl in a club or not, will be in Winton during the encampment and hear some of excellent and instructive lectures that will be given.

The following is the letter:
Winton, N. C.
August, 7th, 1918.

Dear Club Member:—
Our Club encampment will be held in Winton, N. C., on Aug. 14th 15th and 16th and I hope you will be on hand the entire time.

There will be lectures from the Department of Agr. a Raleigh and Washington, D. C. From the health department, Fire insurance department, and you will hear the lecture to the Old Soldiers too.

The lectures will be on Corn, Cotton, Peanuts, Pigs, Poultry, Boys and Girls Club Work, Health, Hygiene and Fire Prevention.

Most of these will be illustrated by moving pictures.

There will be swimming, games, songs, recitations and a free visit to the tent show that will be in Winton for the week. This will be on Wednesday night.

The boys will sleep in the Winton High School building and the girls in the Cooper House near the river. Arrangements have been made for the girls who do not want to sleep in the Cooper House to get sleeping quarters in private homes.

Each member will bring provisions for three days, a frying pan, knife and fork, two spoons, towel one or two plates, a pint tin cup and any extra equipment that you may want.

Let either Mr. Gaiher or Mr. N. W. Britton know if you will be on hand.

You will be expected to be at Winton by 9 A. M. Wednesday and register at the school building.

Every one interested in this encampment will be welcomed at all of the lectures and other meetings especially the boys and girls who expect to join the club work next year.

It is hoped that every farmer in Hertford Co. will visit the encampment at least one day.

Yours very truly
E. W. Gaiher,
County Agent

POLICY-HOLDERS MEETING

We desire to inform the Policy-holders of the Farmers Mutual Fire Insurance Association of the Northampton Hertford and Bertie Branch, that by order of the Directors, there will be a meeting held in Ahooskie on the 22nd day of August 1918 for the purpose of attending to all business that shall come before the Associate at that time. All Policy-holders are respectively invited to attend. This being our regular annual meeting.

Albert Vann, President.

MENOLA NEWS

We have heard of several who wish to buy lots at this place with a view to coming near our school. We hope our people here will make the way clear for good neighbors to come in.

NOTICE!

It has been the custom for the past several years, at this season of the year to set apart a day for the "Reunion of the Old Confederate Soldiers of Hertford County". Thursday August 15th is the day set apart this year to meet at Winton N. C. for this purpose. So let us again turn aside from our vocations of life and do honor to these men of 1861-65. As a committee for Ahooskie Township we use this method in saying to the people that they are invited to attend this Reunion bringing with them a basket of something to eat. A committee will be provided for to look after these baskets at the Court House. Those of you that read this notice will do the committee favor to pass them around to others. Let's all remember the day and prepare to go to Winton on August 15th with a desire to make it the "Best Ever" day in the history of the Reunion of the County.

IN MEMORIAM

On the evening of July 9th, 1918, the death Angel again visited the home of Mrs. Aurelia Bazemore, and took therefrom her daughter, Loma D. Bazemore, after a lingering illness of several months.

She was converted and joined Bethlehem Baptist church, when a child and ever remained a faithful member, till health failed. She was a great sufferer for some time but bore it without a murmur, having committed herself completely into the Lord's hands and whose servant she devotedly remained till the summons came for her translation. Her last hours were beautiful, and calm, as Heaven drew near. She left no doubt in the end that she would enter heaven's door gloriously.

To the loved ones the loss is great and seems more than they could bear, as this is the third time in six months the home has been bereft of a loved one, and while the home is completely shrouded in gloom over it hangs God's rainbow of promise "I'll never leave thee nor forsake thee".

The transition from earth to Heaven leaves the family in tears, but how joyful to know she is supremely happy surrounded by loved ones and beholding the King in his beauty, and basking in the sunshine of His presence. No purer character ever lived than Loma, she has left a legacy to sisters and brothers that is to be coveted, not in wealth as the world would call it, but a life worthy of imitation. She was patient, kind and always considerate of the welfare of others, and we know her spirit was wafted above in tranquil quiet and glow of a summer evening.

Just a few days before she passed away, there was such a sad experience in the home when her brother bade her farewell, when he left for Camp, knowing he could never see her again in this world, but may he and his family surrender their will to Him who will keep their loved one safe until the family now broken on earth, shall be made whole in his glorified presence, never to sorrow or say goodbye.

On July 10th, the funeral services were conducted at the home, by Rev Underwood of Murfreesboro in a very impressive manner, after which the body was laid to rest in the family cemetery by the side of loved ones, to await the resurrection morn.

We extend our deepest sympathy to the loved one left behind and commend them to our Heavenly Father who doeth all things for the best.

No parting words are ever spoken in that Heavenly home so fair, For all is joy, peace and gladness Where their loved one in Over there.

CAN ALL FRUIT WITHOUT SUGAR

FULL STEAM AHEAD ON CANNING

WHY?

- BECAUSE:
1. Canning saves the crops
 2. Canning saves labor
 3. Canning saves transportation
 4. Canning builds up home reserves
 5. We can afford to waste nothing

SLOW ON SUGAR

WHY?

- BECAUSE:
1. German submarines sunk sugar
 2. German submarines sunk sugar
 3. Boats have been released to help feed Belgium
 4. Germans have rendered useless sugar beet factories of Northern France.
 5. Our own sugar crop is smaller than anticipated.

Are you a "good provider" Mrs. Housekeeper? Then full steam ahead on canning. Never mind the shortage of sugar. Take care of the fruit now and the future will take care of its self.

Who says you need sugar for canning?—You don't!

Save Sugar in Canning

Sugar is not needed as a preservative if fruit is properly sterilized and sealed. By canning we can get along with the use of heavy syrups and thus save sugar.

Fruit Juice

Fruit juices can be bottled without sugar and used as fruit drinks, in jelly desserts, pudding sauces, and ice cream.

Directions for making fruit juices:

Prepare fruit, cook until soft and strain. Boil the strained juice for five minutes and pour it into jars or glass bottles, that have been sterilized by boiling for 15 minutes, filling the jars to overflowing. Seal jars immediately. Stopper the bottles with corks sterilized in the same manner as the bottles and make air-tight by dipping the cork and the lip of the bottle into hot paraffin. When sugar is more plentiful fruit juices may be made into jelly.

Sugar Substitutes

Extensive and conclusive tests have shown that corn sugar, corn syrup, cane syrup and sorghum syrup may be used in making preserves and marmalades which do not suffer in comparison with the same products in which sugar is used. Use Substitutes.

Write to John Paul Lucas, Conservation Director, Food Administration, Raleigh, N. C., for leaflet containing formulae, recipes and suggestions for the use sugar substitutes.

Results Will Startle Ahooskie

People report quick results from pure Lavoptik eye wash. A girl with weak, strained eyes was helped by ONE application. Her mother could not sew or read because of eye strains. In one week her trouble was gone. A small bottle of lavoptik is guaranteed to help any case of weak, strained or inflamed eyes. ONE WASH startles with its quick results. Aluminum eye cup FRFE. Z. V.
