

Helmets Worn by German War Lords on Exhibit at Methodist Centenary Celebration

THREE helmets, absolutely guaranteed to have been worn by the former Kaiser William of Germany, Von Bethmann-Hollweg and General Ludendorff, will be on exhibition in Columbus, O., as a part of the Methodist Centenary Celebration, June 20 to July 13. They were brought out of Germany during the revolution by Lowell Thomas, world traveler and explorer, whose travelogues will be given in Columbus as a feature of the celebration.

Thomas entered Germany at this most critical period, without pass-

ports or authority of any kind. To do this he was forced to hide out for days on the border. He was turned back twice, but on his third attempt succeeded in getting past a Swiss guard. He made some wonderful pictures in Berlin, showing street riots and the general chaos of the city at that time.

In addition to these views and incidental lectures, Mr. Thomas will show pictures taken in Palestine at the time of General Allenby's occupation. Thomas accompanied the British troops on this expedition.

Leading Lady in 'The Wayfarer' at Methodist Centenary Celebration

M. ME. BLANCHE YURKA creates the role of Understanding, leading female part in "The Wayfarer" pageant, which will be presented at the Methodist Centenary celebration in Columbus, O., June 20 to July 13. Henry Herbert, English Shakespearean interpreter, will have the other leading role.

Nearly 1,000 costumed characters will appear in the majestic religious pageant which will be presented every evening during the celebration in the Coliseum at the exposition grounds. The Coliseum boasts of the largest stage in America and seats 8,000 persons. A seated chorus of 1,000 trained voices will augment the effectiveness of the pageant.

Soloist in "The Wayfarer" at Methodist Celebration

MISS HELEN NEWITT, dramatic lyric soprano, will be the soprano soloist in "The Wayfarer," the great religious pageant which will be presented as a part of the Methodist Centenary celebration in Columbus, O., June 20 to July 13. Henry Herbert, English Shakespearean interpreter, and M. Me. Blanche Yurka, will have the leading speaking parts. Viola Ellis, contralto, will be a soloist.

The pageant will be presented on the largest stage in America, in the Coliseum of the exposition grounds, which seats 8,000 persons. Nearly 1,000 costumed characters and a seated chorus of 1,000 trained voices will appear in the pageant.

METHODISTS SHOULD GATHER NEW ZEAL

Centenary an Inspiration Says Dr. Fisher.

Dr. Fred Fisher of New York, who has been assistant executive secretary of the Methodist Centenary drive, has turned his entire organization to the job of mobilizing Methodism in Columbus, June 20 to July 13.

In outlining the campaign he has placed before 78,000 committeemen of the Methodist Church, he says: "We must stress four things. First, this will be a big Victory Celebration. The Methodists of the United States have lived more in the past year than in any 10 previous years of their existence. Now is the time for them to get together and celebrate their victory."

"In the second place, this is an opportunity for Methodists to have visualized the scenes and activities of which they have been talking for the past year, but of which they have no personal knowledge. Of these 78,000 men, only a negligible per cent has ever had the opportunity of going abroad. At the celebration they can get the trip around the world at their convenience."

"Third, this is the time to 'finish the job,' to gather inspiration and information to enable the organized workers in the church to carry out the program which has been mapped out for the next four years."

"Fourth, and most important of all, if the Celebration realizes the ideals which those who are back of it hold, it must be the inspiration for planning work for the next century. As we look upon the marvels that have been accomplished we should gather new faith and new zeal for enterprises that can be measured only in terms of another century. We must, in a word, weld ourselves together in a great spiritual purpose to strike the bull's eye."

Dr. Fisher indicated that 150 trained executives, in addition to the 78,000 volunteer workers, will stimulate interest in the Centenary Celebration during the next six weeks.

JULY 7 NEGRO DAY

Trips Planned For Visitors to Methodist Centenary.

Negro Methodists, in Columbus as Centenary Celebration visitors, will make a pilgrimage to Upper Sandusky, birthplace of the Home Missionary movement, to honor the memory of its founder, John Stewart, a man of their own race. The trip is scheduled for Saturday July 5.

Other trips planned include a visit to the grave of Ben Hanby, author of "Nellie Gray," in Otterbein cemetery; to Ohio Wesleyan University, Delaware; perhaps in smaller numbers to Wilberforce, and possible to Oberlin, where so many found, by underground route, safe haven in Civil war days.

Monday, July 7, has been designated officially as "Negro Day," and will be observed at the Centenary Celebration grounds with an elaborate program of pageantry, addresses, special music and parades. For this occasion, Dr. W. E. Dubois, editor of The Crisis, published in New York, has written a pageant, "The Star of Ethiopia," which will be produced in the Coliseum by colored participants. The theme of the pageant is the evolution of the race traced through progressive stages of achievement to the present day. A chorus of 500 voices, all Negroes, will present the pageant music.

Summer Complaint in Children.

There is not anything like as many deaths from this disease now as before Chamberlain's Colic and Diarrhoea Remedy came into such general use. When this remedy is given with castor oil as directed and proper care is taken as to diet, it is safe to say that fully ninety-nine out of every hundred cases recover. Mr. W. G. Campbell of Butler, Tenn., says, "I have used Chamberlain's Colic and Diarrhoea Remedy for summer complaint in children. It is far ahead of anything I have ever used for this purpose."—adv.

This medicine always wins the good opinion if not praise of those who use it. Try it when you have need of such remedy.—adv.

Summer Complaint Quickly Removed
"About two years ago when suffering from a severe attack of summer complaint, I took Chamberlain's Colic and Diarrhoea Remedy and it relieved me almost instantly," writes Mrs. Henry Jewett, Clark Mills, N. Y. This is an excellent remedy for colic and diarrhoea and should be kept at hand by every family.

Hot Water for Sick Headaches

Tells why everyone should drink hot water with phosphate in it before breakfast.

Headache of any kind, is caused by auto-intoxication—which means self-poisoning. Liver and bowel poisons called toxins, seeped into the blood, through the lymph ducts, excite the heart which pumps the blood so fast that it congests in the smaller arteries and veins of the head producing violent, throbbing pain and distress, called headache. You become nervous, despondent, sick, feverish and miserable, your meals sour and almost nauseate you. Then you resort to acetanilide, aspirin or the bromides which temporarily relieve but do not rid the blood of these irritating toxins.

A glass of hot water with a teaspoonful of limestone phosphate in it, drank before breakfast for awhile, will not only wash these poisons from your system and cure you of headache but will cleanse, purify and freshen the entire alimentary canal.

Ask your pharmacist for a quarter pound of limestone phosphate! It is inexpensive, harmless as sugar, and almost tasteless, except for a sourish twinge which is not unpleasant.

If you aren't feeling your best, if tongue is coated or you wake up with bad taste, foul breath or have colds, indigestion, biliousness, constipation or sour, acid stomach, begin the phosphate hot water cure to rid your system of toxins and poisons.

Results are quick and it is claimed that those who continue to flush out the stomach, liver and bowels every morning never have any headache or know a miserable moment.

For the Relief of Rheumatic Pains.

When you have stiffness and soreness of the muscles, aching joints and find it difficult to move without pain try massaging the affected parts with Chamberlain's Liniment. It will relieve the pain and make rest and sleep possible.
