

GOVERNMENT ISSU'G BUTTON

The Government is issuing the "Victory" button for use with civilian clothing to all who participated in the World War as soldiers of the United States. The design is a five pointed star which bears the initials "U. S." and is superimposed upon a laurel wreath five-eighths of an inch in diameter. For those who are wounded the buttons are of silver and for all others are bronze.

A supply of the silver buttons has been received by the U. S. Army Recruiting Officer, Elm Street, Greensboro, N. C., and application by those entitled may be made direct. Announcement will be made through the press as soon as the bronze buttons are available.

The War Department has recently announced, as a part of its general vocational training scheme, that enlistments for one year, without regard to whether or not the applicant has had previous service, will be accepted for the Quartermaster and Medical Corps.

There has developed a marked inclination for service on the Mexican Border. A few years ago the Rio Grande was not deemed particularly desirable, but following the erection of barracks, the installation of comforts and added facilities for recreation there has been a decided change in the attitude of the military forces. Over a third of the garrison of Eagle Pass, Texas, has enlisted for service at that point and fourth of the forces at Columbus, Ohio, has indicated a desire to stay on. Sixteen hundred soldiers at El Paso and vicinity have elected to remain at that delightful locality.

For those of adventurous spirit, the present interesting situation in Siberia is offering an attractive prospect. The service of our troops in China has continued interest for the lover of travel and new experiences while the waving palms of the Phil-

ippines are still beckoning to those who sing "Ship me somewhere East of the Suez."

REV. A. J. VALLERY MAKES STATEMENT

Says Tanlac Has Overcome His
Troubles And He Feels

Like a New Man.

"I feel that it would be helping

others to tell them what Tanlac has done for me," said Rev. A. J. Vallery, living at 854 Chelsea Ave. Memphis, Tenn.

"About three years ago," he continued, "I had a general breakdown that made me nervous. I had a sour stomach and would spit up undigested food. The pains in my ach hurt so at times that I thought it would kill me. I also suffered with rheumatic pains in my joints and my kidneys were in bad shape. My sleep was poor and I felt so tired all the time that I could not do my work."

"Since taking Tanlac I have been relieved of the indigestion and those pains are all gone. My kidneys do not trouble me any, I am not nervous like I was and I can sleep fine every night. My strength and energy have been restored and I feel like a new man."

Tanlac is sold everywhere by all leading druggists.—advertisement.

IF BACK HURTS BEGIN ON SALTS

Flush the Kidneys at once when Back-
achy or Bladder bothers—Meat
forms uric acid.

No man or woman who eats meat regularly can make a mistake by flushing the kidneys occasionally, says a well-known authority. Meat forms uric acid which clogs the kidney pores so they sluggishly filter or strain only part of the waste and poisons from the blood, then you get sick. Nearly all rheumatism, headaches, liver trouble, nervousness, constipation, dizziness, sleeplessness, bladder disorders come from sluggish kidneys.

The moment you feel a dull ache in the kidneys or your back hurts, or if the urine is cloudy, offensive, full of sediment, irregular of passage or attended by a sensation of scalding, get about four ounces of Jad Salts from any reliable pharmacy and take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia and has been used for generations to flush clogged kidneys and stimulate them to activity, also to neutralize the acids in urine so it no longer causes irritation, thus ending bladder disorders.

Jad Salts is inexpensive and cannot injure; makes a delightful effervescent lithia-water drink which all regular meat eaters should take now and then to keep the kidneys clean and the blood pure, thereby avoiding serious kidney complications.
