Wholesome Complexion The Pride and Glory of Healthy Men and Women

Pepto-Mangan Makes Red Cheeks.

Builds up Tired Bodies—Helps Change Pale Complexions' To Bloom of Health

The healthy, attractive woman—and man too—with a wholesome complexion is the envy of those who feel that, for them, such attractiveness is impossible.

And yet health and attractiveness are much amatter of good, red blood and unless a man or woman is afflicted with some deep-seated or serious ailment, vigorous health and personal charm are within easy reach.

Pepto-Mangan is responsible for the present health and hapiness of thousands, who formerly were thin, pale, languid and easily exhausted. Pepto-Mangan helped 'place these folks in the full-blooded, energetic, vigorous class—and it probably can do the same thing for you.

Pepto-Mangan contains elements that make rich, healthy, blood. And as a result of the increased supply of red blood that Pepto-Mangan creates, the entire syste mcontains and attains the vigor that belongs to every man and woman.

Pepto-Mangan is prepared in two forms, liquid and tablets. They are exactly like in medicinal value.

Ask your druggist for "Gude's" when ordering Pepto-Mangan. Look for the name "Gudes" on the package.—advertisement.
