SHE WOULDN'T TAKE A FORTUNE FOR IT

Told That Operation Was Her Only Hope—Gains 20 Pounds By Taking Tanlac

"I wouldn't take a fortune for the good Tanlac has done me," said Mrs. Grace E. Tinder, of 511 W. 33rd St., Kansas City, Mo.

"My troubles began about four years ago," she continued, "and although I have been under the best of treatments and have taken many different kinds of medicines, I grew worse all the time. My food disagreed with me and I suffered terribly from indigestion. I was so nervous and never got a good night's sleep, became so weak and rundown I was unable to do any housework and felt miserable all the time. They said my only hope was in an operation and I prepared to go to the hospital to have it done.

"The day before I was to leave home I saw a statement in the paper where a person had suffered exactly as I did had been benefited thru taking Tanlac, so I persuaded my family to let me try it before taking the operation. I began taking Tanlac that very day and by the time I had finished my second bottle I felt much better. I kept it up until finally it overcame my troubles altogether. I have actually gained twenty pound and am so well and strong that I can do all my housework without any trouble at all. I sleep fine and am never troubled the least bit with indigestion or stomach troubles of any kind."

Tanlac is sold by all druggists.—advertisement.

"One morning he found 20 hogs dead and several sick. He called in the vet, who after dissecting a rat, caught on the premises, decided that the rodents had conveyed germs. Since then I have never been without RAT-SNAP. It's true—it is the surest and quickest rat destroyer I know. Three sizes, 25c., 50c., and \$1. Sold and guaranteed by Z. V. Bellamy, E. J.
