Fair Attractions at Ahoskie

REVIVAL CLOSES

The revival services at the local Baptist church came to a successful close on last Sunday evening. Rev. Mr. Wheeler, who has been conducting the meeting wound up on Sunday with four appeals: to the Sunday School at the regular Sunday School hour, at the regular hour for preaching services, at three o'clock in the afternoon, and again at the regular preaching hour Sunday evening.

Great interest was manifested in the meeting and overflow congregations attended almost every service. About twenty-five new additions were made to the church during the two weeks of services.

TWO BIG FAIRS ANNOUNCED THIS WEEK

In the columns of this paper are two advertisements of fairs in east Carolina, both of which are among the oldest and best in the eastern section of North Carolina. In a half page advertisement the Chowan Fair officials tell of the coming big event at Edenton, which will be held during the last week of October. Larger exhibits, agricultural and livestock, a better midway, faster racing, and greater free attractions are assured the patrons of this annual event.

The Coastal Plain Fair, "The Largest District Fair in North Carolina," will begin at Tarboro November 1st., and continue for four days. The Secretary of this fair advises: "We are looking forward to having the best fair we have ever had." This annual event always draws pretty heavily upon the population of this section, especially from the towns located on the A. C. L. railroad, which are in easy reach of Tarboro.

Exhibits at the Coastal Plain Fair come from the entire coastal plain section of the State, embracing several eastern counties; and the collection of exhibits this year is very gratifying to the management of the fair, thus guaranteeing to live up to its reputation of being the largest district fair in the state.
