A Statement From The Ahoskie Department Store

We feel as if our success is entirely due to our annual sale; we, therefore, concentrate the efforts of our entire organization to make our sale the biggest ever held. Those who have been attending our annual 10-Day Sales know that everything is as advertised.

We have eliminated all profits during this Sale, in order to make it especially attractive to the people who have been holding off for lower prices. Regardless of weather conditions, and regardless of the distance that you may live, you do yourself an injustice if you fail to attend this sale. Come, by all means, and bring your neighbor with you, especially those who have no way to get here.

Mr. and Mrs. L. Lipsitz, formerly of Windsor, will be with us through this Sale.

(Signed) S. M. APPLEBAUM, Secretary.
