AFTERNOON TRAIN CHANGES SCHEDULE

The "6 o'clock train" will henceforth be a thing of the past, the schedule having been changed, to one hour earlier, or 5:55. Local residents find it rather inconvenient at first but the new time-table will eventually be liked better than the former one. The W. & P. R. R. also changes its schedule, to conform with the Atlantic Coast Line.

BAPTISTS CALL REV. ISENHOWER

Local Baptists now have a minister, having summoned to the pastorate Rev. Isenhower, a traveling evangelist of no little fame as a powerful, gifted and versatile expounder of the gospel. Having delivered two unusually strong and effective sermons Sunday, he was formally "called" Sunday night and accepted. Mr. Isenhower has a family, which he will bring to Ahoskie, when the necessary preparations have been made for his coming. It is the prevailing opinion that he is "the man for the place." In the meantime, church-goers of Ahoskie are eagerly awaiting his permanent arrival.

LOCAL MECHANIC MAKES PUSH-WAGON

Considerable comment has been caused by the appearance of an odd looking combination of automobile, push-wagon, and motorcycle, which is the latest product of a local boy-mechanic, W. Godwin. It is an ingenious combination of a dismantled auto, motorcycle engine, and "other things." But does it run, don't think not, and almost without gasoline, the "engine" being of the "one-lunger" type. While in itself not a great performance, this shows in a way, an inventive inclination on the part of the aforesaid "mechanic," and is to be commended.

Indigestion

Many persons, otherwise vigorous and healthy, are bothered occasionally with indigestion. The effects of a disordered stomach on the system are dangerous, and prompt treatment of indigestion is important. "The only medicine I have needed has been something to aid digestion and clean the liver," writes Mr. Fred Ashby, a McKinney, Texas, farmer. "My medicine is

Theford's

BLACK-DRAUGHT

for indigestion and stomach trouble of any kind. I have never found anything that touches the spot, like Black-Draught. I take it in broken doses after meals. For a long time I tried pills, which griped and didn't give the good results. Black-Draught liver medicine is easy to take, easy to keep, inexpensive.

Get a package from your druggist to-day—ask for and insist upon Theford's—the only genuine.
