HALE BROTHERS, MCHTS WINTON, N. C.

No review of the commercial develop-
 ment of Winton would be complete without reference to the pro-
 gressive up-to-date business of Hale
 Brothers, proprietors of a modern
 soda fountain, confectionery and
 receiving a large patronage from
 visitors to the county seat.

The business was established in
 1920 on a small scale and has grown
 due largely to the successful meth-
 ods employed by the proprietors who
 are in active charge of its manage-
 ment. Courtesy, accomodation and
 service are their watchwords, and
 their store is popular with towns-
 people and visitors alike.

In addition to a modern, sanitary
 soda fountain the firm carries a large
 stock of candies, confectionary
 fruits, cigars, tobaccos, and cigar-
 ettes, as well as fruits. The lunch
 counter is an added attraction which
 has added to its popularity.

The store is clean and attractive
 in every way, and the proprietors are
 to be highly complimented on their
 success.

The members of the firm are
 Messrs. E. D. Hale, and L. M. Hale,
 natives of Hertford County.

G. E. HOLLOMAN GENERAL MERCHANDISE

Giving satisfaction is a commend-
 able spirit in a merchant these days
 and the merchant who devotes his
 time to satisfying the wants of
 his customers and the public gener-
 ally is not only making a success for
 himself but is also raising the stand-
 ard of his competitors.

That is what Mr. G. E. Holloman
 is doing at Cofield, where he has been
 engaged in the general mercantile
 business for the last four years.

Mr. Holloman specializes in shoes
 for the entire family, and carries a
 large line of the best brands. He
 has an extensive trade throughout
 this section, and has been the means
 of making Cofield the trading center
 for a large proportion of the popu-
 lation of Hertford county.

In addition Mr. Holloman carries
 a well selected stock of dry goods,
 notions, staple and fancy groceries,
 flour, feed, meats, cigars, tobaccos,
 candies and confections.

The store is outfitted with a mod-
 ern, sanitary soda fountain where
 the choicest soft drinks are served
 at all seasons.

Mr. Holloman is a native of Hert-
 ford County and was formerly en-
 gaged in the automobile business.

R. SEWELL, HOTEL AND AUTO LIVERY

Forty-one years ago Mr. R. Sewell
 established himself in business in
 Murfreesboro, starting out as prop-
 rietor of a grocery store on a small
 scale.

Later he opened the Sewell Hotel
 in the town, an hostelry which is
 famous for its meals throughout this
 section. The hotel has accomodations
 for fifteen persons, and is operated
 on the American plan, the service
 being splendid and a great asset to
 Murfreesboro, adding to its prestige
 as a trading center and giving it a
 first class hotel which would be a
 credit to a much larger place.

Mr. Sewell also owns a large auto
 livery having splendid equipment and
 giving excellent service to travelers.
 He is always ready and willing to ex-
 tend a welcome to the visitor to
 Murfreesboro and no man has a wider
 acquaintance or is more popular
 among a large circle of friends
 throughout this section.

The Sewell grocery store is noted
 for high quality of its groceries, and
 the stock includes staple and fancy
 articles, flour, feed, cured and salt
 meats, confectioneries, fruits, candies,
 cigars, tobacco, cigarettes and soft
 drinks.

FUTRELL'S FINE DRUG STORE

One of Murfreesboro's best known
 and most wide-awake citizens is Mr.
 W. Joe Futrell, proprietor of Fur-
 rell's Drug Store.

The drug store is one of the most
 attractive and best stocked estab-
 lishments in this entire section and
 has done much to enhance the pre-
 stige of Murfreesboro as a satisfac-
 tory trading section of Eastern North
 Carolina.

The store carries a large and varied
 stock of patent and proprietary medi-
 cines, rubber goods, druggist's sun-
 dries, paints, oils, and varnishes, sta-
 tionery, toilet articles, candies, con-
 fectioneries, etc.

At present the store has no pre-
 scription department but one may be
 added later.

The store has attractive oak fix-
 tures, tiled floors, and in every way
 is an asset to Murfreesboro. There
 gather citizens to discuss topics of
 the day and the atmosphere of cordi-
 ality and accomodation is a big
 feature of the establishment.

TREASURER FOR HERTFORD COUNTY

Billions of the Nation's Dollars are kept out of circulation by hoarders. Not long
 ago a laborer accounted for a couple of thousand of this money. It was his life
 savings and he had concealed it in a stove. Some thoughtless person started a
 fire in the stove and reduced his money to ashes. These folks who persist in
 keeping money in queer places are losing interest, taking dangerous chances and
 tying up money that ought to be doing the world's work. BANKED MONEY
 helps industry.
