

Rev. G. M. Hammond

Rev. G. M. Hammond, pastor of the First Baptist Church, will give his famous lecture "The Challenge of the Times," a great law enforcement address at the Ahooskie Baptist Church, Wednesday, April 12th at 8 o'clock p. m. All "red blooded" American citizens, both men and women are cordially invited to hear this speaker.

WHERE OUR PREACHERS COME FROM

Candidates for the ministry come from all classes. The sons of farmers make up 48 per cent of the supply of ministers, 14 per cent; of merchants, 11 per cent; of laborers, 4 per cent; of lawyers, 2 per cent; cent each; and all other classes combined, 7 per cent. When it is remembered that the number as compared with other professions it will be seen that it will furnish a far larger proportion than any other profession.

DAY CURRENT THIS SUMMER

Mr. E. R. Conger of Edenton, was in town Monday and met with the Town Council Monday night and closed a contract for current to run the ice factory here the coming summer. This contract will commence the first of May, and from then on the town will be blessed with day current the balance of the summer.

JACKSON-HOLLY GROVE BASKET BALL SERIES

(Reported for The Herald.)

Holly Grove basket ball team met Jackson High School basket ball team on the Jackson court Saturday, Mar. 11th. A good game was played by Jackson players considering the fierce March winds which hindered both teams from demonstrating their best playing. The score was 16 to 6 in the "Jacks" favor.

The second game was scheduled for Thursday, March 16th to be played on the Holly Grove court. A very large crowd of the Holly Grove community citizens were gathered around the court to see the game. They were sadly disappointed by the Jackson boys failing to show up at all. Investigations were made by the Holly Grove manager. He made the Jackson manager a two-fold offer; his first offer was to play the second game the following week-end on the Holly Grove court, and then if necessary to arrange the third game on a neutral court. His second offer was to let the second game remain a forfeit game as it was, and play the third game on a neutral court. The Jackson manager chose the second offer leaving Holly Grove a victory of 2 to 0 for the second game.

The third game was played on a neutral court at Creaksville March 29th. In the beginning of the game the "Jacks" took the lead in scoring by violating the rule for running with the ball. But the Holly Grove "grades" in spite of the running "Jacks" retained the same old pep and grit that always exists while they are playing and caged enough field goals to bring the score within one point of the "Jacks" at the end of the first half. The score being 17 to 18.

During the second half the "Grades" gained the lead in scoring and held it by a small margin until the time keeper blew his whistle for time out. The final score was 30 to 2 in favor of the grades.

Stars for the grades were G. Vann and G. Revelle. Stars for Jackson were Selden and Stephenson.

Line up as follows:

HOLLY GROVE JACKSON
Sauls F Ehehart
Parker F Selden
Revell, C. C Flythe
Vann, G Stephenson
Revell, G G Shehen
Jackson substitute. Ehehart for Buffalo. Shehen for Ehehart.
Field goals—Holly Grove; Sauls 3, Parker 3, Revell, C., 3. Jackson; Selden 4, Buffalo, 1, Flythe 4, Stephenson 2, Ehehart 3. Foul goals—Holly Grove; C. Revelle, 11, Parker 1. Jackson; Flythe 1.

POWELLVILLE NEWS

MENOLA NEWS

(Omitted from last week.)

Rev. John F. Cale filled his regular appointment on Sunday afternoon and in a very interesting way informed his hearers of the work that has been performed and undertaken on the mission fields as a result of the seventy-five million dollar campaign. The old work has been greatly strengthened and a large amount of new work undertaken.

Mrs. Oscar P. Snipes entertained the ladies of the Missionary Society at a silver tea on Wednesday afternoon of last week. Two interesting contests were engaged in Mrs. H. U. Griffith and Mrs. C. W. Parker were the winners. Delicious refreshments were served and all agree that Mrs. Snipes is a charming hostess. Those present were Mrs. J. L. Snipes, Mrs. C. W. Parker, Mrs. Rodney Gatling, Mrs. J. M. Eley, Misses Bertie Northcott and Janie Parker.

Mr. and Mrs. W. N. Griffith of Woodland spent Sunday with Mrs. Dora Vinson.

Mr. John A. Parker and son Roy of Mt. Tabor visited his sister, Mrs. J. M. Eley on Saturday afternoon.

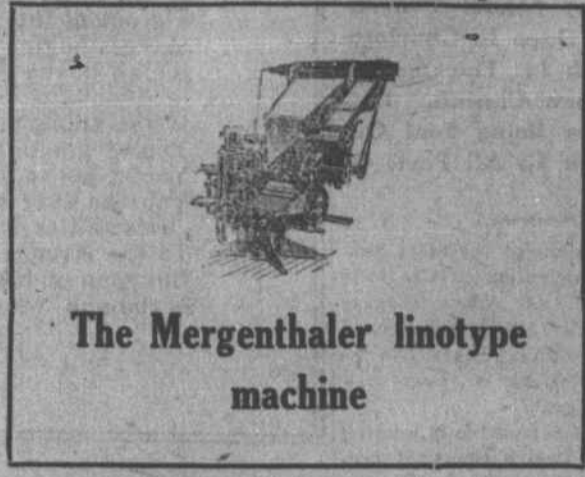

Mr. and Mrs. W. J. Griffin spent Sunday with Mr. and Mrs. J. T. Hiffy.

Mrs. J. M. Eley spent Friday with her sister Mrs. W. T. Benthall in Woodland.

APPRECIATION

I take this method to thank my many friends and the patrons of the Ahooskie Post Office for their assistance in helping me to secure the appointment as Postmaster at this place. I have already taken charge of the office under my new commission, and shall try to serve you even better in the future than I have in the past. I am not going to run a political post-office, or show special favors, but am going to try to give honest service to all alike. I am going to try to improve the rural free delivery service and have village delivery of mail established in town. I now enter into this work with no hard feelings toward anyone, while it is very true that some of the people that I thought were my very best friends, proved to be no friend at all; while others that I thought would be my worst enemies, turned out to be my most loyal friends; the friendly smiles have been cherished, and the enemy's frowns forgiven, I freely forgive them all, and am going to try to treat them in such a way that they will be compelled to forgive me. The false reports so current on our streets are no cause for alarm. They are not fostered by the best people of the town and have not got enough truth in them to live; they are doomed to die. Yours for better service, A. T. WILLOUGHBY, Postmaster.

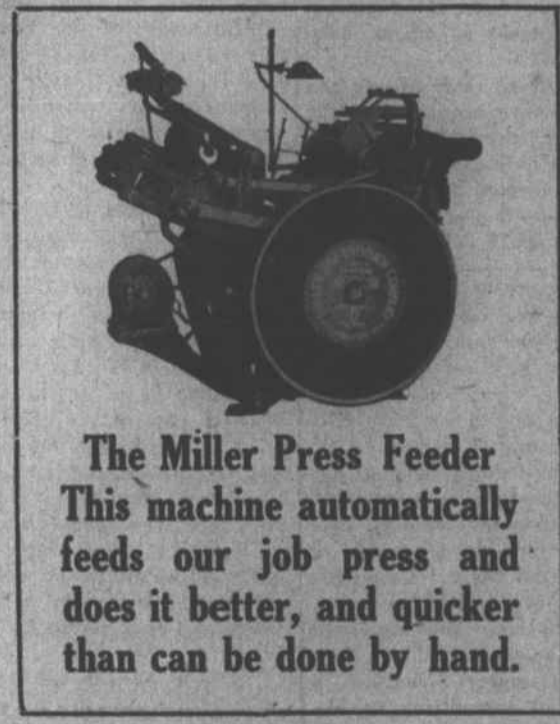

Does Your Printing Carry the Imprint of QUALITY?

The Mergenthaler linotype machine

Our equipment in men and machinery is used nationally by those buyers of printing who recognize and appreciate tangible value of good mechanical manufacture, plus our intelligent planning, to result in letter heads, envelopes, statements, invoices, circulars of all sizes and designs, catalogs, premium lists, circular letters, envelope inclosures, bank notes and drafts and other bank supplies. Any other job you want can be done right and on time.

Our mechanical equipment represents every phase of modern development with each man personally interested in the appearance of your job as it leaves the press. Do not depreciate your printed representative.

The Miller Press Feeder This machine automatically feeds our job press and does it better, and quicker than can be done by hand.
