"APRIL"

April has come, with its sunshine and flowers,
Making the world so bright!
April has come with all of its flowers,
Pink, blue, yellow, and white!
April has come, with its fragrance and beauty,
Making the world so fair!
April has come, to do her duty,
To spread loveliness everywhere!

Exide BATTERIES

If your battery could speak, how often would it ask you for a drink of water? That's an important point in battery care. If you've been a little careless in this, bring your battery here for examination.
