CLEAN-UP WEEK STARTS MONDAY, APRIL 24th

Ahoskie's annual clean-up week starts April 24th. "I hope everybody will heartily enter this campaign," said Dr. L. K. Walker, Supt. of Health. "That is the surest way to prevent disease."

In order to make the campaign a success the Town Commissioners have arranged and will have carts one the streets Thursday, Friday and Saturday of next week to remove all trash, rubbish, etc., which may be put in boxes, barrels or other convenient containers and placed on or near the sidewalks in any section of the town, business or residential.

It is earnestly desired that every person thoroughly examine their premises and especially the alleys and rear of their places of business and clean-up every thing which tends to detract in any way from a slightly or sanitary standpoint.

The commissioners have also ordered all trees and electric light poles whitewashed, so let us all pull together and see if we cannot make our town 100 per cent clean and sanitary.
