

**MRS. JOSEPHINE WHITEHEAD GODWIN**

On Tuesday afternoon, May 9, 1922, our community was saddened to learn of the death of Mrs. Josephine Godwin who passed away at one o'clock in the 79th year of her age. She had been a great sufferer and her death had been expected for some time but hope lingers as long as there is life, and her loving children and friends were hoping that she would revive and remain with them a while longer. However, on Sunday morning it was seen that she was sinking fast and on Monday her loved ones realized that she was surely slipping away to that beautiful shore where there are no more tears, neither sorrow or weeping. She suffered intensely but no one ever heard her murmur, although at times it seemed as if she could hardly bear her pain. Just before she fell asleep in Jesus, she remarked that she hated to leave her children but she would be glad at times to get relief. Her body was so racked with pain that she could not rest in any position and many times at the midnight hour she has been found sitting up in bed holding sweet communion with her dear Lord whom she loved so.

Mrs. Godwin was born in Carteret county near Beaufort on December 12, 1843. She was the daughter of John Stanley and Sianey Whitehead. All of her young life and until her marriage was spent on her father's farm. She was married in August, 1864 to James Levania Godwin of Hertford county who preceded her to the grave 22 years ago. They came to the present Godwin home place near Ahsokie in the summer of 1865 and where she has resided until a few years ago when she became too feeble to keep house. Since then she has lived with her children.

She was a consistent member of Bethlehem Baptist church for 30 years and as long as she was able, took pleasure in her church duties.

We have suffered a great loss and are heart-broken, yet we know that God doeth all things well. She is now free from suffering and resting in the Saviour's loving arms. It was hard to give you up dear grandmother but we are praying to meet you on that Golden Shore where there will be no more parting.

Mrs. Godwin leaves to mourn her loss; six children who are Mrs. A. G. Bazemore, Mrs. Mattie Hyatt, Mrs. T. E. Parker, and John W. Godwin, all of Ahsokie; James I. Godwin of Suffolk, Va.; Joseph B. Godwin of Macon, Ga.; 16 grandchildren and 7 great grandchildren, besides a host of other relatives and friends.

Servant of God well done,  
Rest from thy loved employ;  
The battle fought, the acting won,  
Enter thy Master's joy.  
E. B. S.

**POPULATION STILL IN THE COUNTRY**

A census of school teachers in America shows that there are 600,000 and that MORE THAN FIFTY PER CENT of them are located in communities of 5,000 population or less.

School teachers are where population is and the foregoing are more proof that there's nothing in the assertion that something over half the population of the United States is in the cities.

Moreover, if you will include country towns up to 10,000 population, we venture to say that more than sixty per cent of the teachers are in rural sections.

**Operatic Company For Chautauqua**

Music lovers of this vicinity will welcome the announcement which has come from the Chautauqua management that they will close their week's program, soon to begin here, with a full evening's concert by the Colonial Operatic Company.

A quintet of talented vocalists compose this company and their three-part program will offer adequate scope to their abilities. In the first part they will feature a group of English motion songs, in the second, a potpourri of the hits from the popular and light operatic successes of "not so long ago," in the third, they will present that well-known and perhaps best-loved of the short operas, "Cavalletta Rusticana."

Prospective ticket buyers will need to note that a special price of \$1.00 is scheduled for this event and, if they buy season tickets, this extra tax will be avoided.

An other event for the last day is a "real honest-to-goodness Punch and Judy show," by Professor Will H. Smith, who has delighted literally tens of thousands of people by the antics of his puppets. Both in this country and abroad (where he entertained Royalty by special command) he enjoys a reputation made excellent by his forty years experience.

Of course a most important event of the last day and also of the week (in the Children's opinion anyway) is the Junior Chautauqua pageant, which takes place the last afternoon. A specially written pageant, "Conquests of Peace" has been chosen by the various Chautauquas in the country as the best submitted, and will be given here.

**Tired**

"I was weak and run-down," relates Mrs. Nula Burnett, of Dalton, Ga. "I was thin and just felt tired, all the time. I didn't rest well. I wasn't ever hungry. I knew, by this, I needed a tonic, and as there is none better than—

**CARDUI**

The Woman's Tonic

... I began using Cardui," continues Mrs. Burnett. "After my first bottle, I slept better and ate better. I took four bottles. Now I'm well, feel just fine, eat and sleep, my skin is clear and I have gained and sure feel that Cardui is the best tonic ever made."

Thousands of other women have found Cardui just as Mrs. Burnett did. It should help you.

At all druggists.
