### PUT CREAM IN NOSE AND STOP CATARRH

Tells How To Open Clogged Nostrils and End Head-Colds.

You feel fine in a few moments. Your cold in head or catarrh will be gone. Your clogged nostrils will open. The air passages of your head will clear and you can breathe freely. No more dullness, headache; no hawking, snuffing, mucous discharges or dryness; no struggling for breath at night.

Tell your druggist you want a small bottle of Ely's Cream Balm. Apply a little of this fragrant, antiseptic cream in your nostrils, let it penetrate through every air passage of the head; soothe and heal the swollen, inflamed mucous membrane, and relief comes instantly. It is just what every cold and catarrh sufferer needs. Don't stay stuffed-up and miserable.

Mr. J. E. Odom, Agent, The Equitable Life Insurance Society, Ahoskie, N. C.  
Dear Sir: I want to thank you for the very prompt attention the Equitable gave me in the settlement of all the benefits accruing from the policies held by my deceased husband. The proofs of death were forwarded to the Home Office on 20th of May, 1922, and on the 27th May, the Society delivered to me its check for the full amount of my husband's insurance. This settlement was very satisfactory, and the promptness with which the claim was paid was very pleasing to me. Respectfully,
