USE SULPHUR TO HEAL YOUR SKIN

Broken Out Skin and Itching Eczema Helped Over Night

For unsightly skin eruptions, rash or blotches on face, neck, arms or body, you do not have to wait for relief from torture or embarrassment, declares a noted skin specialist. Apply a little Mentho-Sulphur and improvement shows next day.

Because of its germ destroying properties, nothing has ever been found to take the place of this sulphur preparation. The moment you apply it healing begins. Only those who have had unsightly skin troubles can know the delight this Mentho-Sulphur brings. Even fiery, itching eczema is dried right up. Get a small jar of Rowles Mentho-Sulphur from any good druggist and use it like cold cream.

BOOKS READ BY TRAVELERS

Much Difference in Choice Displayed by First and Second-Class Ocean Voyagers.

The writer of the daily literary causerie in the New York Evening Post has had the curiosity to explore the collections of books provided by a steamship for the use of her passengers. He has always had the theory, he says, that in these large and luxurious vessels the second-class library would be likely to be more in line with his own tastes than the first-class library, and his visit to the boat has confirmed this supposition. In the second class, for instance, there were more Stevensons—including "Treasure Island," which was not in the first-class collection. He noticed also in the second-class, but not in the first, some Charlotte Bronte, Wordsworth, Tennyson and Oliver Wendell Holmes. In reply to the question what kind of books the readers asked for most, the library steward in the first class answered without hesitation: "Ninety per cent want detective stories." The library steward in the second class, on the other hand, said that, among the passengers he had to do with, love stories were most in demand.

The Wicked Judas.

During a visit he paid to Oberammergau several years ago the late Mr. Andrew D. White, the American diplomat, made the acquaintance of the Judas, whom he described as by far the best actor in the whole performance. Mr. White remarked to him that he ought to have a double salary, as the Judas had in the miracle plays of the Middle Ages, when this was thought due to him as compensation for the injury done to his character by his taking that part. At this the Oberammergau Judas smiled pleasantly, and replied: "No; I am content to share equally with the others. But the same feeling toward the Judas still exists." He then told Mr. White the following story. A few weeks before, while he was working at his carving bench, the door of his workshop opened and a peasant woman from the mountains came in, stood still, and gazed at him intently. On his asking her what she wanted she said: "I saw you in the play yesterday. I wished to look at you again. You look so like my husband. He is dead. He, too, was a very bad man!" —Manchester Guardian.
