ANNUAL ENCAMPMENT

BY MISS REBIE PICOT

Early in the afternoon of Tuesday, July 25th, a party of about forty boys and girls stormed Coleraine Pleasure Beach and captured two warehouses which they held until Friday afternoon. The occasion was the annual encampment of the boy's and girl's clubs of Hertford county, headed by Miss Swindell, County Home Demonstrator. There was a band of chaperones including Miss Swindell, Mrs. Maude Newsome, Miss Georgia Eugenia Piland of Winton and Miss Sadie Mason of Harrellsville.

The boys and girls in the party were Messrs. A. I. Matthews, Charlie Carter, John D. Shaw, Thomas Faison, Raymond Askew and James Newsome. Misses Louise Matthews, Willie Sue Matthews, Myrtle Banks, Edith Joyner, Lillian Buck, and Jessie Pearl Askew of Winton; Harry Jones, Frank A. Jones and John Edgar Brett; Misses Margaret Jeffreys, Ivory Vinson and Mae Hill of Cofield. Messrs. Gladstone Harrell and Gordon Britton; Misses Emma Ruby Powell, Bessie Powell, Vivian Powell and Ruth Greene of Aulander; Misses Willie Mae Newsome, Ruth Newsome, Blanche Fairless, Myra Scull and Lee Sharp of Harrellsville, Rev. Robert M. Price and Vadon Sewell of Murfreesboro, Mr. Futrell and Miss Reva Harrell of St. Johns, Miss Ethel Futrell of Ahsokie. Misses Kate Harrell, Rosa Harrell, Virginia Dare Hill, and Rebbe Picot of Como.

Among the visitors were Mrs. James and daughter, Miss Lizzie Jones of Cofield. Messrs. Harvey Picot, Boyce Whitley, Leonard Whitley, William Hill and Ferrell Hill of Como. Mr. and Mrs. Scull of Harrellsville. Messrs. Ernest Banks, Hugh Knox, Shepard Story, John Story, and Clarence Dickson of Winton, Mr. Jessie Brown of Menola.

Tuesday afternoon was given over to organizing the camp and getting settled. The camp was named in honor of our chaplain, Mr. Price.

The days in Camp Price were crowded with fun and merry making. Bathing in the Chowan River was one of the chief features and was indulged in both morning and afternoon of each day. At other times, games, stunts, songs, talks and other good things kept the good times going.

One of the best events of the whole camp was the supper of Brunswick Stew prepared by Mr. B. A. Tennille of Jackson, N. C., according to his own special recipe. Although there was a plenty of good things to eat at all times, this was the most enjoyed by all including our Windsor and Harrellsville visitors.

After supper and a season of song, spiritual talks were given by the chaperones, Mr. Tennille and Mr. Price.

On Thursday the Masons of several nearby counties held their annual picnic. The regular camp schedule was suspended for the day and the campers mingled with the crowd of visitors which thronged the beach all day long. Just after dark the jolly members of Camp Price met on the beach for song and fun after which they returned to the wharf to listen to jokes and ghost stories by the members of the camp. One of the most enjoyable features of this hour was the singing of "Scrap" the colored cook. Every darkey is a home songster and "Scrap" is no exception to the rule. The whole crowd was kept in a jolly good humor by her songs.

During the afternoon of the same day, the annual program of stunts was given by each township.

WHAT CAN BE DONE IN TICK-FREE TERRITORY

"Next to my family my Guernsey cattle mean most to me," says R. A. Smith of Lynchburg, S. C., a recent convert to dairying in a section that not so long ago was paying tribute to the cattle tick. This man's success with cows is an excellent example of what can be accomplished in a few years.

Mr. Smith became interested in good cattle while on the farm of Robert Cooper, one of the best-known breeders of Guernseys in the South. Five years ago he bought a farm on which he owed about \$8,000. Three years ago he bought a few head of cows from Mr. Cooper; today he has a herd of 26 purebreds and 5 grades. All the cattle are paid for, and the indebtedness on the farm has been reduced considerably. Last year he sold \$1,070 worth of calves. His herd is free from tuberculosis and is on the Federal accredited list.

This farmer was particularly fortunate in starting out with very good stock; otherwise he had no advantage not possessed by any healthy, hard-working farmer. "My success," he says, "is due to the attention I give to my cattle and to Mr. Cooper's cooperation." He gets a regular income from milk and cream sold at retail, but a big part of his returns have come from the sale of well-bred calves.

INCOME TAX REFUNDS

Following recent decisions in the Supreme Court of the United States in the cases of the Union Trust Company, et al, executors versus Wardell, Collector, and Shawb, Executor, versus Doyle, Collector, the statement was published that it would not be necessary for executors for estates to file claim for refunds to which they were entitled under such decisions.

The existing regulations provide for the refunding of estate taxes only upon the filing of a claim therefor by the taxpayer. It will therefore be necessary for all taxpayers who are entitled to a refund of estate taxes by reason of the above entitled decisions to make formal claim therefor on Form 843 which claim should be filed with the collector for the district wherein the tax was paid for transmittal to the office of the Commissioner of Internal Revenue for appropriate action.

Section 3228, Revised Statutes, as amended by Section 1316 of the Revenue Act of 1921 provides that all claims for the refunding or crediting of any internal revenue tax alleged to have been erroneously or illegally assessed or collected must be presented to the Commissioner of Internal Revenue within four years next after payment of such tax. Consequently estate taxes affected by the above decisions can only be refunded provided a claim therefor is filed within four years next after the payment of such taxes.

TRY SULPHUR ON AN ECZEMA SKIN

Costs Little and Overcomes Trouble Almost Over Night

Any breaking out of the skin, even fiery, itching eczema, can be quickly overcome by applying Mentho-Sulphur, declares a noted skin specialist. Because of its germ destroying properties, this sulphur preparation instantly brings ease from skin irritation, soothes and heals the eczema right up and leaves the skin clear and smooth.

It seldom fails to relieve the torment without delay. Sufferers from skin trouble should obtain a small jar of Rowles Mentho-Sulphur from any good druggist and use it like cold cream.

Indigestion

Many persons, otherwise vigorous and healthy, are bothered occasionally with indigestion. The effects of a disordered stomach on the system are dangerous, and prompt treatment of indigestion is important. "The only medicine I have needed has been something to aid digestion and clean the liver," writes Mr. Fred Ashby, a McKinney, Texas, farmer. "My medicine is

Theford's BLACK-DRAUGHT

for indigestion and stomach trouble of any kind. I have never found anything that touches the spot, like Black-Draught. I take it in broken doses after meals. For a long time I tried pills, which griped and didn't give the good results. Black-Draught liver medicine is easy to take, easy to keep, inexpensive."

Begin Making Preparation Now for the

HERTFORD COUNTY FAIR

WINTON, N. C.

November 14-15-16-17, 1922

Now is the time to prepare something for the Fair this fall. It is a rather difficult thing to go out in the fields in the fall and find something worthy of being exhibited in the Fair. It will have a favorable effect upon your crops and live stock if you begin now to care for them as if they were already entered in competition at the fair.

If a fair is worth having at all, it is justified only as it is an inducement to improve agricultural practices. With this thought in mind the commissioners of Hertford County have appropriated \$200.00 for general farm exhibits and Pig Club work.

For your entertainment the best amusement concern to be had has been employed.

All Together for the Biggest and Best Fair Yet.
