WITH THE FUNNY MEN

EXPLAINED
Mrs. Newbride—Our cook says those eggs you sent yesterday were quite old.
Grocer—Very sorry, ma'am. They were the best we could get. You see, all the young chickens were killed off for the holiday trade so the old hens are the only ones left to do the layin'.

Mrs. Newbride—Oh, to be sure! I hadn't thought of that.—Edinburgh Scotsman.
Campaign Philosophy.
"In addressing your constituents do you impress them that you are a public servant?"
"Always," said Senator Snorts-worthy. "I'm a great believer in the power of suggestion. By continually dwelling on the fact that I am a servant of the people I hope to convince them that I am as necessary to their happiness as a dependable cook or a competent chauffeur."

Kind but Firm.
"What would you do if you caught anybody cheating in this poker game?" asked the stranger in Crimson Gulch.
"We aim to be fair and humane," answered Cactus Joe. "We'd simply chip in to pay his board and hire an attendant. Any one attempting anything so reckless wouldn't need no further evidence to prove his right to be let off on an insanity plea."

Brighter Side of Jury Service.
"Give me another stack of chips," said Mr. Gadder.
"It's getting late. Mrs. Gadder will be calling you over the telephone soon."
"She's doing it now in her mind's eye, but the morning star of my existence is locked up with a jury."

His Method.
"What do you do to keep cows from kickin' while you are milking them?"
"Well, stranger, you could read them the latest news, or sing 'Annie Laurie,' or rig up a moving picture show, but I keep 'em so busy thinkin' of the good food they're eatin' that they don't remember to kick."

**IF BACK HURTS
BEGIN ON SALTS**

Flush the Kidneys at once when Back-
ache or Bladder bothers—Meat
forms uric acid.

No man or woman who eats meat regularly can make a mistake by flushing the kidneys occasionally, says a well known authority. Meat forms uric acid which clogs the kidney pores so they sluggishly filter or strain only part of the waste and poisons from the blood, then you get sick. Nearly all rheumatism, headaches, liver trouble, nervousness, constipation, dizziness, sleeplessness, bladder disorders come from sluggish kidneys.

The moment you feel a dull ache in the kidneys or your back hurts, or if the urine is cloudy, offensive, full of sediment, irregular of passage or attended by a sensation of scalding, get about four ounces of Jad Salts from any reliable pharmacy and take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia and has been used for generations to flush clogged kidneys and stimulate them to activity, also to neutralize the acids in urine so it no longer causes irritation, thus ending bladder disorders.
Jad Salts is inexpensive and cannot injure; makes a delightful effervescent lithia-water drink which all regular meat eaters should take now and then to keep the kidneys clean and the blood pure, thereby avoiding serious kidney complications.
