SULPHUR IS BEST TO CLEAR UP UGLY, BROKEN OUT SKIN

Any breaking out or skin irritation on face, neck or body is overcome quickest by applying Mentho-Sulphur, says a noted skin specialist. Because of its germ destroying properties, nothing has ever been found to take the place of this sulphur preparation that instantly brings ease from the itching, burning and irritation.

Mentho-Sulphur heals eczema right up, leaving the skin clear and smooth. It seldom fails to relieve the torment or disfigurement. A little jar of Rowles Mentho-Sulphur may be obtained at any drug store. It is used like cold cream.

SAGE TEA KEEPS YOUR HAIR DARK

When Mixed with Sulphur It Brings Back Its Beautiful Lustre at Once.

Gray hair, however handsome, denotes advancing age. We all know the advantages of a youthful appearance. Your hair is your charm. It makes or mars the face. When it fades, turns gray and looks streaked, just a few applications of Sage Tea and Sulphur enhances its appearance a hundred-fold.

Don't stay gray! Look young! Either prepare the recipe at home or get from any drug store a bottle of "Wyeth's Sage and Sulphur Compound," which is merely the old-time recipe improved by the addition of other ingredients. Thousands of folks recommend this ready-to-use preparation, because it darkens the hair beautifully, besides, no one can possibly tell, as it darkens so naturally and evenly. You moisten a sponge or soft brush with it, drawing this through the hair, taking one small strand at a time. By morning the gray hair disappears; after another application or two, its natural color is restored and it becomes thick, glossy and lustrous, and you appear years younger.
