DEATH TO GERMS

Here is the best way to keep your house free from disease

Few people realize the germ danger lurking in unsanitary sinks, drains, closet bowls and traps. Kitchen and bathroom floors, too, are ideal breeding places for germs.

Red Seal Lye keeps these places clean and sanitary. It kills all germ life and prevents germs from spreading.

The surest way to thoroughly cleanse and disinfect the bathroom floor is to scrub it with a solution of Red Seal Lye. Cleaning the toilet is also a simple matter. Sift a little Red Seal Lye into the bowl, allow it to dissolve and flush. The result is perfect sanitation.

Red Seal Lye prevents pipes from clogging. It keeps drains open and free-running. Use either in powder or solution, at frequent intervals, at least once a week.

Twenty half-pound cakes of pure soap may be made with one can of Red Seal Lye and five and one half pounds of waste grease. The directions are in the can.

Red Seal Lye is absolutely pure and unadulterated. Red Seal Lye far exceeds cheap brands. Ask your dealer for Red Seal Lye and take no substitute. Send us a postal for the Red Seal Booklet which will be mailed you free. Write today.

Miss Virginia Lee proved most successful and was presented a can of apples, which she very gracefully presented to Miss Brown. The next feature of the morning was a cobweb entanglement. Miss Brown was given a thread and told to follow where it led her, picking up every spider upon the web. She found many spiders which proved to be cans of fruit and vegetables. Miss Brown expressed her appreciation to her many friends. The doors were then thrown open and the guests were invited into the dining room where chicken salad, tomatoes, olives, saltines, mints, and ice cream were

ROAD BONDS NOW IN GREAT DEMAND

County Commissioners Receive Good Offer For Remainder Of Half Million Dollar Issue

Hertford County road bonds have already taken a sharp rise in the bond market. When the first batch of bonds was offered for sale by the county commissioners, buyers were not so eager to take them at par and above, and it required several weeks to make a satisfactory sale which was hedged about by conditions more favorable to the buyers than to the county. Three hundred thousand dollars of the half million issue has been sold, leaving \$200,000 more to be marketed.

Lately an offer has been received by the commissioners that has persuaded some of the members of the board to advocate the sale of \$200,000 bonds remaining unsold. Under the terms of the bid, a price above par would be paid, and five per cent interest compounded semi-annually would be paid by the buyers for a deposit of the moneys.

Although the county has a large amount of the money from the former sale on hand, the new offer sounded good, in that the money from the sale could be placed on deposit and practically take care of the interest that would have to be paid on the bonds. Two of the county commissioners strongly advocated the sale, although they were out-voted by other members who believed in adopting a waiting policy.

AGENT SAYS SOW WINTER COVER CROPS

With the very unfavorable year we have had for field crops, there has necessarily been a big decrease in our corn and forage crops of which we have never produced enough at best. The cheapest and best way to meet this deficiency is to sow down the corn and cotton middles to oats or rye, mixed with vetch or clover.

The cotton middles may be sown down after first picking or even as late as November if necessary, and the cotton stalks cut early in the winter so that they will rot and be out of the way next spring when you get ready to cut the cover crop for feed. Only by growing a great deal more small grain this winter than we ordinarily do, can the farmers in this section avoid paying out more than they can well afford to next summer for high priced western feed.

Even if you know you won't need the extra feed to be had, you ought to sow these winter crops by all means, to prevent your land leaching from winter rains and to afford the land a green manure crop, to be turned under next spring. Oat and rye seeds are fairly cheap this fall. Sow them lavishly, also vetches and clover.

BROWN-BARKER

Miss Mary Barker, daughter of Rev. and Mrs. J. J. Barker of Ahoskie, and Joe H. Brown of Ahoskie were quietly married in Norfolk, Va., Tuesday. After their wedding trip, Mr. and Mrs. Brown will make their home in Ahoskie.

Mrs. Brown is a popular and accomplished music teacher, having been in charge of the music department in the Powellsville Graded School last session. She will hold a similar position in the local school during the 1922-23 session. Mr. Brown is a successful farmer living near Ahoskie. He is a native of this county.

served. The guests then expressed themselves to the hostess as having spent a very pleasant morning.

On Wednesday afternoon from 4 to 6 o'clock, Misses Janie Parker and Elizabeth Brown gave in honor of Miss Annie Brown whose marriage took place on Saturday, September 2nd, a miscellaneous shower. The color scheme was yellow and white. The house and tables were decorated with margolds and golden rods. The guests were greeted by the hostess and invited into the living room from there they were ushered into the reception hall where Miss Anna Higgs Griffith presided at the punch bowl. Each person drew numbers and then found their table. A contest, "What Shall His Wife Wear?" was engaged in. Table number IV being the winner. Mrs. O. P. Snipes presented to the bride-elect the prize. The out of town guests were Misses Beulah Jessup, Mary, Alice, and Ruth Outland of Woodland; Virginia Lee of Portsmouth, Va. and Emma Gay Stephenson of Pendleton. Mesdames Spencer Boyette of Warsaw; C. G. Parker of Woodland, and A. M. Brown of Union.
