## SCHOOL ORGANIZATIONS

### ORGANIZATION OF THE ATHLETIC ASSOCIATION

The Athletic Association of Ahoskie High School, composed of 37 interested and enthusiastic students, organized Monday, September 18, 1922. After brief discussions and suggestions as to the general purpose of an athletic association by Mr. K. T. Raynor and Mr. T. R. Bain, the association preceded, in an orderly manner, to nominate and elect officers.

From a field of five nominees, Harry Holloman was elected president; Spurgeon Isenhower was acclaimed vice-president while Elizabeth Dilday was elected by an overwhelming majority over three other candidates as secretary and treasurer. The athletic editors of "The Indian Warwhoop" were selected as reporters for the association. The captains and managers of the various athletic teams will be elected later. After the election of officers, other important matters of the association were discussed.

The Association hopes to develop athletic teams who will do justice to the standards of Ahoskie High School; teams that will hold the banner high and at the end of the game, march from the field triumphant and victorious.

### Senior Class Organizes

The Senior class, the largest in the history of Ahoskie High School, numbering sixteen, held its annual election Tuesday, September 19, 1922. ### Freshmen Class Elects Officers

The "babies" of Ahoskie High formally organized September 22, 1922. With a "suck of the thumb" here and a "dose of soothing syrup" there, the following freshies managed to be elected.

President.....Jack Gatling  
Vice President.....Merten Earley  
Secretary.....Alpha Newsome  
Treasurer.....Goldie Lassiter  
May these officers guide the destiny of the Freshmen and ever prove a garrison against the attacks of the vicious "Sophs."

### PARENT-TEACHERS ASSOCIATION TO BE ORGANIZED

A meeting of all the patrons of the school is called on Friday night, October 6, at 7:30 in the auditorium of the High School building. All persons in any way interested in the education of their children, and in the development of the Ahoskie High School are cordially invited to attend. The Betterment Association will hold its first meeting then, and an effort will be made to combine that association and other clubs in town into a Parent-Teacher Association. An in-

Realizing the necessity and value of journalistic work, the English Department of Ahoskie High School has decided to edit one page in the Hertford County Herald, dealing with school problems and school life. It had been our plans to edit an independent high school paper, but seeing this impossible, we are this week editing the initial publication of "The Indian Warwhoop." We have selected a code of aims and purposes, by which we may guide the destiny of our high school weekly. They are as follows:

1. To give vent and expression to the literary ideas of the high school students.
2. To encourage and to promote all worthy school activities and organizations.
3. To offer suggestions for the betterment of the school and to criticize all movements which would tend in any way to injure it.
4. To give the patrons a needed knowledge of school problems and activities.

In the beginning, may the editor state that all just criticisms and suggestions are welcomed, especially do we desire those which convince us of our fault and at the same time offer a correction.

We desire to thank the editor of the Hertford County Herald for his most generous offer in giving the page on which "The Indian Warwhoop" is printed, for we realize without this offer, we would have no outlet in which to express our views and opinions. May the editorial staff have the hearty support of all patrons.

### ATHLETICS AT A. H. S.

Physical education has long been recognized by our large city high schools as one of the greatest essentials to scholarship and discipline; for we must first train our bodies that our minds may have a suitable place in which to develop. For the first time, this idea is penetrating our rural schools and in many cases, is proving a marked success. They are beginning to realize that the ancient theory of "books and books alone" is totally incorrect and that the proven theory of athletics and physical education is one of the fundamentals of scholarship, discipline and a progressive school. Ahoskie High School, while ranking high among the schools of the State in its curriculum and literary work, is sadly trailing the standards of the majority of accredited high schools in physical education and athletics.

Heretofore, it has been almost completely crushed, being considered as side-line instead of a vital phase of school development. It is a fact, of which we are not proud to relate, that Ahoskie High School has never in its history developed an athletic team worthy of its name, being handicapped in many outstanding ways. Perhaps, it would be proper to enumerate several of these causes.

1. We have never received the financial backing, so necessary to a victorious athletic team.
2. There has never been created the interest and enthusiasm in high school athletics, prevalent in other schools and towns of our state.
3. The material for successful athletics has been lacking, but we feel sure that by careful coaching there is an abundance of material for the 1922-23 season.

Let us as a progressive high school turn a new leaf, consider athletics in the proper light, and by putting our shoulders to the wheel, make AHOSKIE HIGH SCHOOL, champions of this great Roanoke-Chowan section in all the major branches of athletics. With the financial aid and encouragement of the patrons, we hope to develop a basket-ball team able to vie with and conquer Rich Square and Winton, tennis and basketball teams able to win the laurels of the Roanoke-Chowan section and immediate territory. Are you not anxious that we should win these trophies? Then, my patrons, encourage our team until they shall wish, as Alexander of old, for new worlds to conquer. Let's make athletics at A. H. S. a reality instead of a dream!

Interesting program is being arranged, and the evening will be spent very pleasantly. All patrons are urged to attend.  
K. T. RAYNOR,  
Superintendent.

## ANNOUNCEMENT

All patrons and friends of the school who are interested in athletics are asked to contribute to the treasury. These gifts with the donor's name will be published weekly in "The Indian Warwhoop." The donors will be considered as honorary members of the Athletic Association. Send all funds to Miss Elizabeth Dilday.

## SCHOOL NOTES—GENERAL COMMENTS

On account of the large number of pupils in some of the grades, another teacher was found to be necessary. So, on last Monday morning Miss Hilda Bailey of Wakefield, Va., took her place among us. She will teach a part of the sixth grade and a part of the third grade. We welcome Miss Bailey in our midst and hope that she will enjoy being in our school and town.

### Teachers Entertained

On last Friday evening the teachers of the school and a few others were delightfully entertained in the home of Mrs. E. Hayes. Early in the evening an enjoyable English contest was put on. After much amusement the prize—a little booklet—was won by Miss Mary Thomas. After the excitement of this contest was over another—"Nuts to Crack"—was entered upon. This prize, a set of nut picks was won by Miss Bessie Gaddy. These prizes were presented by Alton Hayes.

Refreshments, consisting of cream and cake, were served by Mrs. Hayes, assisted by Miss Ernestine Hayes.

About 11 o'clock the guests departed, voting Mrs. Hayes a delightful hostess. Those present were: Misses Mattie Hargrave, Thelma Jewell, Mary Gatling, Margaret Sessoms, Mina Holloman, Emily Gayle, Bessie Gaddy, Mary Thomas, Messrs. K. T. Raynor and T. R. Bain, Mr. and Mrs. W. L. Curtis and Mrs. Dora Curtis.

Miss Bettie Williams Tayloe, one of our former teachers, was the recipient of a beautiful silver basket on last Tuesday, given to her as a wedding gift from the Junior Class.

Our wit and humor section of "The Warwhoop" is lacking, altho we hope to print a comical section in future

editions—thoroughly interesting to all.

Miss Sallie Barnes, one of our former teachers, was married to Mr. Luther Savage of this city, Wednesday, September 20. Miss Barnes has taught in our school for several seasons and we found her to be a very capable and able teacher. She will be missed very much during this session but we hope that she will find much pleasure in her married life.

The members of the Junior Class were glad to have as their guest last week Miss Leatha Bazemore, a former member of our class. As it is impossible for her to continue in our class this year, we hope that she will visit us frequently.

Miss Evva Bones of Pulaski, Va., one of our former teachers, paid the school and a town a visit. We were delighted to have Miss Bones with us. She had accepted work and is now teaching in the Morehead City school. Miss Bones was delightfully entertained at a lawn party given in her honor by a group of high school girls.

Equipment for basketball courts has been ordered and is expected at an early date. Also volley ball equipment has been ordered. The athletic association would be very glad indeed if either Planters and Farmers warehouses would offer the use of a section of their floor for a basketball court.

The order of class organization seems to be reversed: Seniors, first; Freshmen, second; Sophs, third; and Juniors, fourth.

Editor's Note—Due to mechanical conditions a large section of the "Warwhoop" was omitted from this issue. However, this will be overcome next week.
