

HINES TO ANSWER

(Continued from Page 1)

20th. Please state to your Board, that I was hired on the 16th day of May, 1921, at \$2500 per year. At the end of the year no complaint was made and I began another year I supposed under the same salary and conditions. I have heard no complaint before and have never refused to do anything authorized by the Board of Road Commissioners and I am still here—to render the best service possible as I have in the past.

No man working by the year could be discharged on ten days notice at a secret meeting of the Board. However, if your Board wishes my resignation and will authorize you to give me check for my salary at \$2500 per year until May 16th, 1923, and pay me \$200.00 that I have advanced to lawyers to defend the case I have pending against me in Pasquotank county as Superintendent of Hertford County Highway Commission, not as an individual, I will render my resignation at their meeting I understand they have called for Monday, 25th. Otherwise I shall continue my work as I have in the past.

"With kindest personal regards to you, I beg to remain,

Yours very truly,

F. G. HINES."

September 25th, 1922.

Mr. J. B. Worrell, Chairman and Members of the Board of Road Supervisors, of Hertford County.

Gentlemen—In further answer to your letter asking for my resignation I do hereby respectfully request and demand that you furnish me, in writing, over your signature, any and all charges which you have against me, or which have been filed with you against me, or touching upon my efficiency as a Road Superintendent, or point out to me in what respect I have exceeded my authority, or failed in any way to faithfully perform my duty as your Road Superintendent.

Upon receipt of this I shall definitely answer your request, but in justice to myself I cannot now do so until I hear further from you in answer to the above request.

Yours very truly,
F. G. HINES.

Board Gives Charges

The following is a copy of the letter written by W. D. Boone, Board attorney, stating the charges against Superintendent Hines:

September 25, 1922.

Mr. F. G. Hines, Road Superintendent, Murfreesboro, N. C.

"Dear Sir—Your letter of today addressed to Mr. J. B. Worrell, Chairman, and members of the Board of Road Commissioners of Hertford County requesting and demanding a written statement over the signature of the members of said Board of the charges against you as Road Superintendent received and noted by said Board. As your communication was through your attorney, the Board avails itself of the same means of advising you of the charges.

"The reasons for requesting your resignation are as follows:

1. That the best interests of the county would thereby be subserved.
2. Your failure to leave off work in Murfreesboro Township and begin work in Maney's Neck Township, as directed.
3. Your failure to obey the Board's instructions for the convict camps to remain at the present site until further orders given for its removal.
4. Extravagant expenditure of money, especially in the operation and upkeep of trucks.
5. Failure to maintain roads already built by dragging with Mack trucks.
6. Removing maintenance crews from one township to another when township from which removed needed work.
7. Hiring of teams and men knowing that available funds were insufficient to meet expense of same.

Yours very truly,
W. D. BOONE,

Attorney for Board of Road Commissioners.

SAGE TEA DANDY TO DARKEN HAIR

It's Grandmother's Recipe to Bring Back Color and Lustre to Hair

You can turn gray, faded hair beautifully dark and lustrous almost overnight if you'll get a bottle of "Wyeth's Sage and Sulphur Compound" at any drug store. Millions of bottles of this old famous Sage Tea Recipe, improved by the addition of other ingredients, are sold annually, say well-known druggists here, because it darkens the hair so naturally and evenly that no one can tell it has been applied.

Those whose hair is turning gray or becoming faded have a surprise awaiting them, because after one or two applications the gray hair vanishes and your locks become luxuriantly dark and beautiful.

This is the age of youth. Gray-haired, unattractive folks aren't wanted around, so get busy with Wyeth's Sage and Sulphur Compound to-night and you'll be delighted with your dark, handsome hair and your youthful appearance within a few days.

"Well! Strong!"

Mrs. Anna Clover, of R. F. D. 5, Wintfield, Kans., says: "I began to suffer some months ago with womanly troubles, and I was afraid I was going to get in bed. Each month I suffered with my head, back and sides—a weak, aching, nervous feeling. I began to try medicines as I knew I was getting worse, did not seem to find the right remedy until someone told me of

CARDUI

The Woman's Tonic

I used two bottles before I could see any great change, but after that it was remarkable how much better I got. I am now well and strong. I can recommend Cardui, for it certainly benefited me."

If you have been experimenting on yourself with all kinds of different remedies, better get back to good, old, reliable Cardui, the medicine for women, about which you have always heard, which has helped many thousands of others, and which should help you, too. Ask your neighbor about it; she has probably used it.

For sale everywhere.
