### REQUEST BOARD TO DISCOUNT A NOTE

The Board of Road Commissioners voted last Monday to ask the county commissioners to request the holders of the county road bonds to discount the March 1923, note for \$10,000, and turn over the cash to the road fund. According to the terms of the bond sale, there is available each month a sum of \$10,000 for road work. The expenditures for roads have exceeded that amount, and the board was faced with the necessity of suspending work or securing additional funds.

A representative of Bray Bros. Co. of Greensboro who handled the bond sale offered to discount any one of the notes in order to relieve the situation. The road board then voted to make the request.

The County Commissioners will meet Monday, October 23rd, when the proposition will be placed before it.

### PASSENGER TRAFFIC WAY BELOW NORMAL

"The Atlantic Coast Line Railroad will be raising its passenger rates soon," said an Ahoskie man Tuesday afternoon as he sauntered out to the "three o'clock train" to watch the usual number of passengers alight. Only three white persons stopped at Ahoskie; and that was about half the total number aboard the train.

Not a single white person alighted from the morning train, which usually brings Ahoskie several visitors or returning natives. Just how many came to Ahoskie on the early morning northbound train has not been ascertained by any of the HERALD representatives.

### MT. TABOR B. Y. P. U. HIGHLY ENTERTAINED

(Special to the Herald) The arrival of the hour of seven on the evening of October the seventh found the members of the B. Y. P. U. of Mt. Tabor Baptist church leaving their respective homes for the hospitable home of Mrs. L. H. Holloman, chorister of the Union, where groups three and four were entertained from eight to ten-thirty o'clock by groups one and two.

The entertainment for the evening began with a contest of general personal questions from which the contestants derived much fun, the papers being judged from the standpoint of originality. Mr. V. E. Duncan, pastor of the church, presented Mr. G. B. Storey with the first prize and Miss Reva Smith Sewell the booby. After all had satisfied their tastes with parched peanuts, partners were chosen by the use of numbers, for a word-building contest. In this only the letters found in the phrase, "All Baptist Young People Utilized," could be used. Again Mr. Duncan presented Miss Pattie Baker and Master Gilbert Storey with the first prize and Miss Tullie Mae Sewell and Mr. Robert Stone with the booby.

Following this, delicious refreshments, consisting of sandwiches, hot chocolates and cake, were served.

A. G. L. Stephenson, of the Aulander Advance was a visitor in Ahoskie Thursday.

## Inactive Liver

"I have had trouble with an inactive liver," wrote Mrs. S. Nichols, of 4412 Spencer St., Houston, Texas. "When I would get constipated, I would feel a light, dizzy feeling in my head. To get up in the morning with a lightness in the head and a trembly feeling is often a sign that the stomach is out of order. For this I took *Theford's Black-Draught*, and without a doubt can say I have never found its equal in any liver medicine. It not only cleans the liver, but leaves you in such a good condition. I have used it a long time, when food does not seem to set well, or the stomach is a little sour."
