DR. POWELL RAPS INCOGNITO WRITER

Harrellsville, N. C., Oct. 31, 1922.
Editor Hertford County Herald,
Ahooskie, N. C.

Dear Sir—For the benefit of the taxpayers in general of Hertford County, I would like to ask that you please print in a conspicuous place in the next issue of your paper, the name, photograph, and date of tax receipt of the knocker who wrote, or caused to be written, the article in last week's issue of the Herald, signed, "A TAXPAYER."

As a constant reader of and subscriber to your paper, I can safely say, I think a large percentage of your subscribers would greatly appreciate you asking your brilliant writers to confine themselves to facts; and too, printed matter never shows up to its best advantage when anonymous. If in any case they cannot write their names, advise them to make a cross mark and have it witnessed.

Concerning the article itself, no good can ever be derived from destructive criticism, especially when it re-opens an issue, which has been settled, so I consider silent contempt the proper mode of treatment.

However, I want to inform the readers of the Herald, that I am confident the Harrellsville Township taxpayers are supporting E. N. Sykes' actions in the matter one hundred per cent strong, because we feel and believe he has put forth every available effort to build roads for his County by conservation of both time and money. His actions have been open to the public and straight from the shoulder, always standing for what he thought was right and subserving the best interests of the county. He has not spent his time and energy in finding out the wishes of political "wire-pullers," "die-harders," or "knockers" who might want him to "flop" to suit their wishes.

As I said before we are with E. N. Sykes and with him to stay, and every stroke of the knocker's pen cements us tighter for better roads at a minimum cost.
J. A. POWELL.

A Call to the Farmers of Hertford and
Adjoining Counties to Exhibit at the

Hertford County Fair

WINTON, N. C.

November 14th to 17th, 1922

The management extends a hearty invitation to every farmer to display something this year. If it is only a peck of potatoes or a stalk of cotton it will be appreciated. The success of the fair depends upon the enthusiasm shown by the farmers and the farm women in exhibiting their produce. We are giving many prizes but every one can't be rewarded. However, they should consider it their patriotic duty to make a long and strong pull for the success of the Hertford County Fair, and the success of the enterprise depends upon the multiplicity of exhibitors.

All Together for the Biggest and Best
Fair Yet.
