

## LOCAL NEWS OF AHOSKIE

This honor came to the State as recognition of the great program in vocational education in North Carolina.

Mr. Brown was also chairman of the Resolutions Committee of the National Society for Vocational Education which was in session from Thursday until Saturday.

As Superintendent of Public Instruction for Hertford County and as part time farm demonstrator for the County, Mr. Browne first proved his worth and since then has steadily advanced in his field of work. He is a native of this County, and his friends here are glad to hear of the honor lately bestowed upon him.

### MRS. LOWE DIES

Mrs. Cora E. Lowe, wife of Ernest R. Lowe of Whaleyville, Va., died last Saturday night. She was 36 years old. Mrs. Lowe is survived by her husband, and five children, Arthur, Dan, Clarence, Helen and Raymond. Funeral services were held Monday. Mrs. Lowe with her husband formerly lived on route 4 from Ahoskie, and both were well known citizens of the Hickory Chapel section. They moved to Whaleyville several years ago, after having lived here since birth.

### POSTMASTER WANTS TO SEE STAMPS EXCHANGED

"It is to be hoped that every person who can do so will exchange War Savings Stamps, soon to fall due, for Treasury savings certificates," said Postmaster A. T. Willoughby, "The large amount of money invested and the great number of persons who purchased war savings stamps showed that the people of this country could save money when the necessity arose. Now, if they will take the money they saved when they bought stamps to aid the government in the prosecution of the war and buy Treasury savings certificates, they will demonstrate that the thrift lessons of the war have not been without effect. The holders of war savings stamps have been investments of about \$20.50 grow to \$25 in five years, and larger amounts in the same proportion. They can see the same thing repeated if they reinvest in Treasury savings certificates. Interest accumulates at the rate of 4 per cent each year, compounded semi-annually. These savings certificates are exempt from the normal Federal income tax, and from all State and local taxation (except estate and inheritance taxes), and may be held to the amount of \$5,000, maturity value, for each issue, by every member of a family. They are backed by the credit of the United States Government, and afford an easy and sure method of saving."

### ENTIRE VILLAGE BUILT

Only to Be Destroyed by Storm in "The Old Homestead"

A village of forty or more houses, with an old homestead and its out-buildings on the outskirts, was built for "The Old Homestead", a Paramount picture which will be exhibited next FRIDAY at the RICHARD THEATRE. The old homestead was a practical structure with roof and rooms and between scenes the company assembled in the 'living room' and amused themselves with games, reading and music.

At the finale of the story a terrific storm destroys the village, but leaves the old homestead intact. James Cruze directed and the cast includes Theodore Roberts, T. Roy Barnes, George Fawcett, Harrison Ford, Ethel Wales, Fritz Ridgeway, Kathleen O'Connor, James Mason, Frank Hayes, Z. Wall Covington, E. J. Brady, and others.

### "THE FUNNY-BONE"

A little girl was talking to her friend and her English was not good so the friend said: "Where is your grammar, my child?" "Home with grandpa," the little child replied.

Dr. Bailey (looking at thermometer)—"Humm! I don't like your temperature."

Sick Student—"Then why did you take it?"

"Grandpa, can you help me with this problem?"

"I could read, but I don't think it would be right."

"I don't suppose it would, but take a shot at it anyway."

Farmer—"That's a fine lot of pigs your father's got. How does he feed them?"

Tenderfoot—"With corn."

Farmer—"In the ear?"

Tenderfoot—"No; in the mouth."

## UNIVERSITY ALUMNI TO MEET DURING HOLIDAYS

Formation of Hertford-Gates Association Will Be Considered Then

The University alumni of Hertford and Gates counties will hold a joint meeting and banquet at Winton sometime during the Christmas holidays according to reports reaching here. There is not sufficient number of University men in either county for a large gathering. In the past there has been no local alumni in either of the counties, and at this projected gathering the wisdom of forming a joint association will be considered.

The Alumni who are interested in arranging for this initial meeting are Stanley Winborne, Murfreesboro, T. A. Eure, Winton; Jno. O. Askew, Jr., Harrellsville, and P. E. Hoffer and J. M. Glenn of Gatesville. This committee plans to hold a meeting at an early date to work out the details of the program for the banquet. The students from the two counties now at Chapel Hill will also attend the gathering.

Gatherings of University alumni will also be held in the other counties throughout North Carolina during the Christmas holidays. Arrangements for 31 meetings have already been made in the Eastern part of the State. The interest is equally as keen in the Western section and it is expected that equally as large number of meetings will be held there, making a total of seventy—with a total attendance of more than three thousand.

The activity among the University alumni comes in response to the establishment a few months ago of a Central Secretary's office for the General Association. This position is being filled by Daniel L. Grant of Chapel Hill. The other officers of the Association are Walter Murphy of Salisbury, Charles L. Weil of Greensboro and Robert M. Wright, Greenville.

The University has a total of more than 11,000 living alumni which have not formerly been knit closely together into an association. It is to foster this work, and to support the institution in its great work for the state that the great amount of interest is at present being manifested.

THERE IS GOING TO BE

an old person dependent upon you some day. That person will not be your father, nor your uncle, nor an elder brother, but you yourself. What are you laying by for his happiness, comfort and sustenance during the sunset days of life? The time to make provision for that elderly person is now while you are young and strong and prosperous. The way to do so is by means of an Equitable Retirement Annuity.
