

# Keep The Wheels Going

Business is good as 1923 is ushered in, and every indication says it will be even better before the year is gone. Every business man who hustles, goes after the business and keeps eternally after it, using every possible means to secure the bulk of the business, is going to be in excellent financial shape when he takes stock at the end of 1923. The wheels of industry are going to move at a fast pace, and it is up to every person to speed them along
