THE LAST UTTERANCES OF THE EDITORIAL SWAN

Success of The "Warwhoop" Reviewed

Alas! It has come our time to utter the swan song, a song of farewell and a wish of a successful voyage for "The Warwhoop", as its next lap of the journey will be piloted by a new editorial staff, which we feel quite sure will raise "The Warwhoop" to higher standards as a literary production and as a school weekly.

In this, our last utterance, we wish to review the success, with which the first attempt of publishing a school paper at A. H. S. has met. In the initial issue of "The Warwhoop", the staff enumerated a list of standards and aims, by which we were to lend our energies toward accomplishing. If we remember correctly, the first and chief aim of "The Warwhoop" was to serve as an outlet, pertaining to all school movements, organizations and methods of bettering the conditions and advantages of Ahoskie's school children. To this end we have worked for no short period and we feel fully assured that "The Warwhoop" has been a success from this viewpoint.

Within these columns, we have given you serious articles, outlooks on the different phases of school life, accounts of the various athletic activities and basket-ball games, weekly reports of the Columbian and Hesperian Literary Societies, notes of school interest, literary productions of high school students, both in prose and poetry and a few laughs between from the clean jokes appearing in the column headed "The Funny Bone."

In viewing the success of "The Warwhoop" from the other standards of less importance, we trust that our columns have proved an incentive in arousing the people of Ahoskie and community to a realization of the additional educational advantages which are needed and which we trust Ahoskie High School will be able to offer before the year 1924.

The above statements have not been made in a self-complimentary attitude as we realize, while reviewing our brief period of office, that numerous mistakes have been made.

As is the custom at A. H. S., all organizations, save the classes and athletic Associations, elect new officers for the spring term and so we, the editorial staff, willingly and cheerfully give our task to the 1923 editorial staff, headed by Miss Sybil Myers, a capable member of the Senior Class. We trust that the staff-elect will select as two of its standards the following:

1. The arousing of interest and enthusiasm in the erection of a modern \$100,000 school building.
2. The paving of the way for an independent school weekly for the session of 1923-24.

Before ending the last stanza of our swan song, the editor wishes to thank the entire editorial staff including Misses Emily Gayle, faculty supervisor, Mabel Claire Hoggard, Elizabeth Dilday, Bessie Cowan, Mary Sumner and Mr. Columbus McKeel, for their hearty support in the success of "The Indian Warwhoop." And to the new editorial staff, we say, "To you, we give the task. Be yours to hold it high."

ALUMNI ASSOCIATION

Just another suggestion as to increasing the high school spirit—an alumni association of Ahoskie High School. An alumni association endeavors to promote the welfare of the school in any way possible, to unite the bonds of unity between the graduates, and to increase the love for its alma mater. And, why cannot Ahoskie High School have a

band of loyal graduates, who will seek to help A. H. S. and to increase its prestige? We should and shall have an active alumni association!

Numerous high schools of North Carolina have organized alumni associations, and we must do likewise to keep pace, as we remember the axiom, "the survival of the fittest."

The graduates of A. H. S. have increased considerably within the past half-decade and our alumni and alumnae, as a majority, are living near Ahoskie or are attending college, which all tends to make the effecting of an A. H. S. Alumni Association possible.

The class of '23, which numbers sixteen, will swell the number of graduates to a large degree. The school has no record of its alumni and alumnae, therefore making it impossible to give a list of its graduates in this issue, but before the present session will have ended, we hope to have in the school's possession, a complete list of A. H. S. graduates.

"The Warwhoop" gives its endorsement to this needed organization and fully expects that, if possible, at commencement, an active and earnest alumni association may be organized.

FIGURES SPEAK FOR VALUE OF EDUCATION

1. Every day spent in school pays a child \$9.02.

Here is the proof:

2. Uneducated laborers earn on the average \$500 a year for 40 years, a total of \$20,000.

3. High school graduates earn on the average \$1,000 a year for 40 years, a total of \$40,000.

4. This education requires 12 years of school of 180 days each, a total of 2,160 days in school.

5. If 2,160 days at school add \$20,000 to the income for life, then each day at school adds \$9.02.

6. The child that stays out of school to earn less than \$9.02 a day is losing money, not making money.

7. With no schooling of 5,000,000 people, only 31 attained distinction.

8. With elementary schooling of 33,000,000, only 808 attained distinction.

9. With high school education of 3,000,000 people, only 1,245 attained distinction.

10. The child with no schooling has one chance in 150,000 of performing distinguished service.

11. With elementary education, he has 4 times the chance.

12. With high school education, 87 times the chance.

13. With college education, 800 times the chance.

WHAT IS YOUR CHANCE?

TEN COMMANDMENTS OF A GOOD SPORT

1. Thou shalt not quit.
2. Thou shalt not alibi.
3. Thou shalt not gloat over winning.
4. Thou shalt not be a poor loser.
5. Thou shalt not take unfair advantage.
6. Thou shalt not ask odds thou art unwilling to give.
7. Thou shalt always be ready to give thine opponent the shade.
8. Thou shalt not underestimate an opponent, nor overestimate thyself.
9. Thou shalt root with all thy might, but in rooting a good sport will root right.
10. Honor the game thou playest; for he who playeth the game straight and hard wins even when losing.

SEVENTH, EIGHTH AND NINTH GRADES PLAY FOR SUPREMACY IN BASKETBALL

The seventh, eighth and ninth grades played for supremacy in basketball Friday, January 5 in the Co-operative Warehouse. The first game was played by seventh and ninth grades. In the first half, the "sub-freshmen" held the Sophomores to a 5-5 tie, but the second half proved to be a walk over for the "Sophs", as the latter scored 11 points to 2 points by seventh graders, the final score being 16-7 in favor of the Sophs. Cling Odum and Leden Doughtie were the high scorers, Odum scoring three field goals and two fouls while Doughtie was credited with three field goals. Leo Alexander scored four foul goals for the sub-freshies.

After ten minutes intermission, the seventh grade, undaunted by their previous defeat, entered another fray with the Freshmen (eighth grade) as opponents. In this game, they were overwhelmingly victorious, winning by the score of 10 to 3. Theo Mitchell was credited with 6 points and Henry Clay Odum with the other additional points.

These games by virtue of their victories gives Sophs, first place; seventh grade, second place; Freshmen, third place.

Varsity Team Was Forced to Postpone Scheduled Games

According to the official schedule of Ahoskie High School, the varsity team were to meet worthy and able opponents, but due to sickness of the captain and lack of a substitute of equal ability, the team was forced to postpone the games. Wednesday of this week the A. H. S. quint was to play Tarboro High School at Tarboro, while Drivers High School was to be met again, at Suffolk, Va. on Friday night.

Negotiations are being made for games with Rich Square High School and Jefferson High School of Suffolk. Rich Square has offered January 26, and Jefferson, March 2nd. It is not known, at present, whether these games will be played or not.

SCHOOL NOTES

Miss Gayle, the English teacher was suddenly taken sick last Friday and had to leave school for the day. Mrs. D. P. Baker finished out the day in her stead. But we are glad to report that Miss Gayle is now among us again carrying on her work as usual.

The members of the Parent-Teachers' Association are asked to be present at the regular meeting of this organization Friday night in the school auditorium.

We are sorry to report that Miss Gaddy, one of the High School teachers, has been sick during the past week-end. We hope she will soon recover from all effects of her illness.

Two of the members of the Columbian Literary Society will sell candy Tuesday at noon; the proceeds going into the treasury of that society. Candy will be sold for several weeks by some of the members, and we hope that many of the school children will try it.

We are glad to have among us again, Mr. Harry Holloman, a member of the Junior class who has been absent for several days on account of the "flu." We hope that he will have little trouble in catching up with the work which he has missed.

We are sorry to report that one of the grammar grade teachers, Miss Margaret Sessoms, is ill. We sincerely hope that she will soon recover. Miss Annie Laurie Sessoms is supplying for her.

Both teachers and pupils have been busy during the past week reviewing and preparing for mid-term examinations which will begin Wednesday and continue through Friday.

Upon hearing of the death of "Dee" Knox, the students of Ahoskie High School unanimously voted to send a letter of sympathy and condolence to Winton High School in their bereavement. A few days afterwards, Mr. K. T. Raynor received a letter from Mr. J. R. Browne, principal W. H. S., commending the school for the action taken.

Misses Gaddy and Gatling and Mr. K. T. Raynor were guests of Miss Allie Pierce at dinner last Friday evening.

Misses Bailey and Buffalo were guests of Mr. and Mrs. V. D. Strickland Saturday evening.

Miss Mary Gatling attended a reception in Tillery, N. C., Tuesday evening.
