RED CROSS PUTS UP \$9,739,872

Year's Budget Stresses Relief and Services at Home and Overseas.

MILLIONS FOR VETERAN AID

Over \$3,000,000 Allotted to the Disabled-Foreign Work Lessens.

Washington.—Expenditures totaling \$9,739,872.47 for carrying through its program of services and relief during the fiscal year in the United States and overseas are authorized in the budget of the American Red Cross, effective July 1, 1922. This total is \$2,-785,975 less than the expenditures for the last fiscal year, when disbursements reached \$12,475,847.69, it is announced at National Headquarters in a statement emphasizing the necessity of continued support of the organization by enrollment during the annual Roll Call, November 11-November 30 inclusive. This total for the budget is exclusive of the large financial operations of the 3,300 active Red Cross Chapters, which, it is estimated, will more than double the total.

War Veterans Have First Call First call on Red Cross funds is for the disabled ex-service men, of whom 27,487 were receiving treatment from the Government on June 1 last. This work for veterans and their families in a wide variety of service that the Government is not authorized to render and for which it has neither funds nor facilities has the call on \$3,030,692.90 during the current year, or about \$366,000 more than was expended last year for soldier service. Adding the funds disbursed in this humanitarian work of physical reconstitution following the World War by the Chapters throughout the country will approximate a total for the current year approaching \$10,000,000. This work, in the opinion of the Surgeon General's office, will not reach its peak before 1926. Through its Chapters the American

Red Cross is equipped to find the individual ex-service man, help him in his problems and difficulties, provide immediately for his necessities, and open the way for him to the Government compensation and aid to which be is entitled. The extension of this work to the families of such men proves to them that the Red Cross has lost none of its sympathy nor will to service manifested in wartime. Simliarly the service goes out to the men still in the Army and Navy, 11,087 of whom were under treatment in Government hospitals on June 1, 1922.

Greater Domestic Program This year-after five years of constructive effort during the war and efter the armistice-brings with it a greater responsibility for domestic service to the American Red Cross. The budget for foreign operations, however, totals \$3,404,000, but of this amount \$1,834,000 is for medical relief and hospital supplies for Russia, which is a part of the gift made by the American Red Cross in 1921 to the Russian famine relief work of the American Relief Administration program. The child health service in Europe centinues, moreover, and \$654,-000 is appropriated for this work undertaken in 1920. Other items in the stringently diminished foreign program include \$200,000 to support the League of Red Gross Societies, \$22,000 for nurses training schools instituted by the Red Cross abroad, and \$600,000 for liquidation of the general Red Cross foreign relief program.

Propared for Emergencies For disaster relief the Red Cross has set aside \$750,000, and for emerin Chapter work \$500,000 to be available for domestic, insular and foreign demands. This is more than \$395,000 above fast year's expenditures. For service and assistance to the 8,300 Chapters and their branches \$1,203,000 is provided by the National organization.

Other budget items of importance in the domestic program include \$200,-000 for assistance to other organizations and education institutions for training Red Cross nurses and workers; \$190,000 for Roll Call assistance shed to Chapters; \$100,000 for

unforeseen contingencies. Of the total budget less than \$500,-000 is allotted for management in the National organization. No cash estimate, of course, is possible to weigh the value of the service by volunteers in the Chapters.

MURFREESBORO NEWS

Blue Birds Appear Monday, the 15th seemed to have marked the return and assembly of several kinds of birds, which, it is supposed, had not been seen before. Among them was a pair of blue birds. Am wondering, and am eager to know if any one had noticed the return of the blue birds previous to that date, if there is one who has, it would be greatly appreciated by the Murfreesboro correspondent to receive from that person a post card

stating the date when seen: Social Hour By League
