STATE COLLEGE HAS ISSUED BULLETIN

"Technical Education", the profusely illustrated condensed catalogue of State College, has been received from the printer and is ready for free distribution, it was announced at the College last week. Copies may be obtained by addressing, The Registrar, State College Station, Raleigh.

The booklet is published annually as a number of the State College Record. It carries the same general information as to entrance requirements, courses of study and expenses as the regular college catalogue, but in a more abridged form. In addition, it is handsomely illustrated, the pictures alone giving a comprehensive idea of the nature of the work carried on at the State's technical institution.

Prospective students and others interested in the College, it is said, should find "Technical Education" especially interesting.

A well laid out and well tilled garden is one of the most attractive parts of the farm.
