Weekly Quotation

Serene rapture; silent wonders—the Glory of May!
Alluring calms; the silent quiver in the breeze.
On a fresh, fragrant morn any day in May
Hear the wooing love notes in the trees.
The Iris subtly unfolding its blue at dawn,
The first rose, seen a-blush in the morn—
Mysteries, subtle in charm; silent in sway—
Love is the Glory of May.

RED PEPPER HEAT ENDS RHEUMATISM

Red Pepper Rub takes the "ouch" from sore, stiff, aching joints. It cannot hurt you, and it certainly stops that old rheumatism torture at once. When you are suffering so you can hardly get around, just try Red Pepper Rub and you will have the quickest relief known. Nothing has such concentrated, penetrating heat as red peppers. Just as soon as you apply Red Pepper Rub you will feel the tingling heat. In three minutes it warms the sore spot through and through. Pain and soreness are gone. Ask any good druggist for a jar of Rowles Red Pepper Rub. Be sure to get the genuine, with the name Rowles on each package.

Inactive Liver

"I have had trouble with an inactive liver," wrote Mrs. S. Nichols, of 4412 Spencer St., Houston, Texas. "When I would get constipated, I would feel a light, dizzy feeling in my head. To get up in the morning with a lightness in the head and a tremble feeling is often a sign that the stomach is out of order. For this I took *Theford's Black-Draught*, and without a doubt can say I have never found its equal in any liver medicine. It not only cleans the liver, but leaves you in such a good condition. I have used it a long time, when food does not seem to set well, or the stomach is a little sour."
