WRECK NEAR AULANDER LAST SUNDAY EVENING

Train number 41, Atlantic Coast Line, split the rails about two miles south of Aulander last Sunday night, causing the painful injury of the engineer and totally wrecking the engine, which left the track. AUTOMOBILES DO THE SOMERSAULT STUNT

Two automobiles owned and driven by local persons were completely wrecked last week, each turning over on the highway. No one was hurt by either accident, although the cars both Fords, were pretty badly damaged.

Last Tuesday night the Ford coupe belonging to Charlie Conger and driven by him turned over just as it was rounding the curve leading to Ahoskie, just outside the limits of the town of Windsor. The top was broken off, one windshield broken and fenders slightly damaged. Mr. Conger escaped uninjured.

On the following night, Chief of Police Oscar Britton went one better, partially wrecking his own Ford, and also knocking the daylight out of another Ford car driven by John Parker, son of J. E. Parker, on route 5. The accident occurred on the Ahoskie-Harrellsville highway just this side the home of I. E. Coleson, about one mile and a half from Ahoskie.

Britton and H. A. Yert were returning from an afternoon's fishing trip, and were making good speed, following closely on the heels of another car, when the car driven by them side-swiped Parker's car, which was meeting them. Britton was unable to see the approaching car on account of the cloud of dust ahead of him. Parker leaped from his car and landed safely on the ground, uninjured. Neither Britton nor Yert were hurt in the wreck.

ARMY & NAVY STORE MAN FOUND GUILTY

Ahoskie people will be interested in the following item clipped from Wednesday's issue of the Virginian-Pilot. Bord, the convicted man, was formerly proprietor of the Army & Navy Store in Ahoskie. Soon after a slight fire in his store in February, he disposed of his interests here.

Bord Found Guilty
Sam Board, charged with having stolen goods from the Quality Shop, 309 High street, in his possession, was found guilty by a jury in the Court of Hustings last night and was given one year in the penitentiary.

After the verdict was returned he was released on a \$5,000 bond pending the motion for a new trial to be argued June 22. A Levitin furnished bond for him.

Bord pleaded not guilty to the charge. The police who testified against him said most of the goods which were valued at \$1,700 stolen from the Rapoport store, were found in his place.

Joseph Daniel and George Elliot, negroes, who were arrested in connection with the robbery pleaded guilty and were given two years in the penitentiary.

AN OPEN LETTER TO THE PUBLIC OF A HOSKIE

The Universal-Jewel photoplay—"THE FLIRT"—which is to be presented at the RICHARD THEATER starting TUESDAY, and continuing on Wednesday, is, in the estimation of the critics and myself, one of the greatest of achievements in the history of the screen.

"THE FLIRT" is Booth Tarkington's masterpiece transferred to the screen with a fidelity and sincerity that makes this picture the greatest drama of America life ever produced.

A remarkable cast under the direction of Hobart Henley has made the characters in Booth Tarkington's famous book live and act in a mighty drama that will live in your memory long after all other big pictures have been forgotten.

Naturally, a showman wants everybody to see every picture he shows. But it's something other than mere business that prompts me to plead with you not to miss "THE FLIRT."

It is one of the greatest and most satisfying pictures I have ever seen anywhere. It certainly is one of finest this theatre has ever shown. I am proud to be able to show it at my theatre.

E. L. GARRETT, Manager,
THE RICHARD THEATER.
Half of the proceeds will be appropriated to the Missionary Society for the Pastorium Aid fund.

WILLIAMS BOY WILL BE PLACED IN SOME HOME OR ORPHANAGE

Joseph Braxton Williams, 4 year old son of Paul W. Williams and Mrs. Lucy Williams, will remain with his grandparents in Ahoskie until some agency can secure for him a permanent home not connected with either parents' family, or can be placed in an orphanage in this State. Judge D. R. McGlohon, of Hertford County Juvenile Court, decided upon that course last Saturday, when the case was taken before him for disposition.

Around this bright youngster has waged several legal battles, all of which have been smothered and not pressed following an agreement between the estranged father and mother, that each was to have custody of the boy sixty days, alternating until a place satisfactory to both could be found in which he should be placed. Several times he was kidnapped or stolen by one of the other of his parents. His mother is in Portsmouth with her people, and his father resides with his parents, Mr. and Mrs. Geo. W. Williams.

Last Saturday Judge McGlohon was called upon to rule on the question, the boy's mother having protested against his staying at the home of her husband's parents in Ahoskie. She did not appear at Winton for the hearing.
