READ THE ADVERTISING COLUMNS EVERY WEEK

Did you ever stop to think seriously about the news you can get out of an advertisement? Well, if you have not tried it, take a few minutes of your time devoted to reading this newspaper and spend it on the advertisements. It will pay you to do it.

For instance, now and then, in fact very often, you find in the columns of this newspaper some merchant offering special prices on good, seasonable merchandise. You could save money probably, if you had taken the time to look up the advertisements. And, even if nothing special is offered, you naturally appreciate and patronize the fellow who tells you he wants your business, and is willing to cater to you for it. Get in the habit of reading the advertisements every week.

BANK MAKING STRIDES

Attention is directed to the page advertisement of the First National Bank, Murfreesboro, in which a story of unprecedented growth is told. This is one of the county's youngest banks, but within a one-year period it has made a wonderful growth. Mr. J. A. Campbell is president of the bank.

WOMEN ARE URGED TO JOIN BOOSTERS

It's a mighty hard task to write when you are not naturally inclined to do so and most especially when you can't decide just what you want to say. It's quite different though when you have something on your mind that keeps tampering with your speaking and writing ability.

Everyone of us should appreciate our town and try to make it a better one to live in. We are more fortunate, than a number of people, to live in a town that is growing and wide-awake. Any one enjoying the town's facilities and advantages should not do any else but boost it. The men of our town are always boosting the tobacco market, the activities of the chamber of commerce or some other town movement and we enjoy hearing them and feel that we too, should have something to be working for.

Sometime in this month Mrs. Thad Hedgepeth of Elm City has consented to come to Ahoskie and help organize a chapter of the North Carolina Federation of Women's Clubs. This is one of the greatest ways in which our women can help boost the town and community, help in their church work and aid in improving the school. I believe every one of us will enjoy the work of the Woman's Club in Ahoskie and I hope we will show Mrs. Hedgepeth how much we appreciate her interest in us by attending her lecture. The time and place of meeting will be published in next week's issue of the HERALD.
