Encouraging Outlook So far, the outlook seems encouraging as to Chowan College. Altogether 30 scholarships have been given. Dr. Weaver and Miss McDowell with others are busy working in behalf of the institution. The construction work is steadily progressing towards completion.

Miss Bernice Lee Parker Hostess Tuesday, July 24, Miss Bernice Lee Parker was hostess at a charming birthday dinner at her home, given by her parents, Mr. and Mrs. T. T. Parker in celebration of her eighteenth birthday anniversary.

At 11 o'clock 18 of Miss Parker's girl friends, several school chums, assembled at her home five miles from Murfreesboro. An elaborate dinner was served at 1 o'clock. The table was most attractive, containing almost everything that could tempt the palate. The unique centerpiece, much admired, was designed by Miss Swindell. It represented a pond of water and pebbles with miniature fish and sail boats floating around. Cedars grew around and on a little knoll, sat a little woman in pink, fishing. Candies made by Miss Bernice, were served at intervals in the afternoon and contests were enjoyed. In an animal contest, the winners were Misses Elizabeth Sewell and Frances Evans.

At five o'clock ice cream and cake were served, a handsome cake being the centerpiece. Just before this service, the guests were asked to make a parting wish for their hostess, from the given word "Rhinoceros."

After spending a most delightful day, the guests departed at 6 o'clock. Besides Mrs. Parker's friends, those of Miss Bernice were: Misses India Sewell, Rena Smith Sewell and Mavia Melton of Rocky Mount, Misses Tam Long and Ethel Edwards of Pendleton, Janie Blow, Vera Parker, Lucile Missonri Darden, Ruth Sewell,

Tullie Mae Sewell, Zelma Liverman, Elizabeth Sewell, Neva Futrell, Frances Evans, Bettie Walter Jenkins, Carire Parker and Sally Sewell.

During the first nine weeks of 1923, the Western Electric Company shipped three billion eight hundred million conductor feet of lead covered telephone cable to the operating companies of the Bell system.

BUILDING—do you buy permanence? IT COSTS but little more at the start than temporary construction. Over a period of years it means dollars in your pocket—for the upkeep on temporary building costs more than the building itself in the end. Your building material dealer has seen the growth of permanent building—has done much himself to help it. You can save money by following his advice as to methods of construction and brands of material. ATLAS PORTLAND CEMENT The Standard by which all other makes are measured.

USCO Users Stick United States Tires are Good Tires YOU can switch ordinary tire buyers from brand to brand. But try to switch an Usco user. He knows. Usco Fabrics settle the tire question whenever they are tried. Built to absorb punishment—and they do. The big, rugged Usco Fabric is honest all the way through—no bargain streaks under the surface. At the new prices especially—they are a great money's worth. Where to buy U.S. Tires J. S. DEANS, Ahooskie, N. C. G. J. NEWBERN & CO., Ahooskie, N. C. CHAS. H. JENKINS & CO., Aulander, N. C. G. E.
