IN MEMORIAM

Mr. J. P. Britt, after two days of intense Suffering, triumphantly passed into rest eternal July 12, 1923 at 2:30 p. m., age 62 years, heart failure being the cause of his death.

He was taken on Tuesday while at work with a severe pain in his breast and suffered severe attacks before death claimed him on Thursday.

Mr. Britt joined the M. E. church when quite young and was always a faithful attendant when health would admit. His health failed nearly two years ago when he had two severe attacks of influenza. He was a man of strong faith in God, he loved his church and expressed himself at all times as being ready to go, simply waiting for the call.

Being sick only a short while his death was altogether unexpected, and a great shock to his loved ones and friends. His two oldest daughters being away at the time, but the summons came for him to try the realities of another world and he passed away as quietly as a tired child going to

Mr. Britt was a faithful worker in the church that he loved so well, and was always a member of the official board. He was very anxious to see a new church built in Ahoskie before he died. So often our Heavenly Father calls his loved ones home in a way that seems to us mysterous, we can only trust Him and remember His words to us "What I do thou knowest not now, but thou shalt know hereafter."

We know our Heavenly Father is too wise to err and what he doeth is all for the best, and He will support and comfort all whose hearts are sad because of this dispensation of His providence.

Mr. Britt leaves to mourn their loss, a wife, six children, six sisters, and one brother, who have our sincere sorrow and tenderest sympathy in their bereavement, as they sit in the shadows, may they look up through their tears to His blessed promise "I will not leave you comfortless but will send you a comforter who will abide with you even to the end of the world."

The funeral services were conducted at the home on Friday afternoon at four o'clock by his pastor, Rev. S.

"Feeling Fine!"

"I was pale and thin, hardly able to go," says Mrs. Bessie Bearden, of Central, S. C. "I would suffer, when I stood on my feet, with bearing-down pains in my sides and the lower part of my body. I did not rest well and didn't want anything to eat. My color was bad and fait miserable. A friend of to eat. My color was ba

and I then remembered my mother used to take it... After the first bottle I was better. I began to fleshen up and I regained my strength and good, healthy color. I am feeling fine. I took twelve bottles (of Cardui) and haven't had a bit of trouble since."

Thousands of other women have had similar experiences in the use of Cardui, which has brought relief where other medicines had failed.

If you suffer from female allments, take Cardui, it is a woman's medicine. It may be just what you need.
