Murfreesboro defeated Capron in a fast and interesting game here Tuesday. This was a winning game of a five game series and the last of the season. The result was 3 to 2 in favor of Murfreesboro.

ACCOMMODATING THIEF VISITS FRANK TAYLOR

The fellow who broke into Mr. Frank Taylor's garage and swiped his Ford touring car Monday night must have heard of Sheriff's Scull's successful coupes against escaped convicts lately. Either that, or he resents being called a thief, preferring to be dubbed a borrower, a sort of unwelcome parasite.

Mr. Taylor awoke Tuesday morning to find his Lizzie gone from out his garage, and he had positively no clue to the identity of the person who rode off with it. On the following morning, Wednesday, he spied his car sitting in front of his home, apparently in good shape, except for travel.

As the OFFICE CAT might be expected to say, "that reminds me of some of the persons who persist in borrowing their neighbor's copy of the HERALD."

NEWS LETTERS LATE

On account of receiving several news letters so late in the week, we were unable to carry all of them in this issue. Correspondents will please send letters in earlier hereafter.

ANOTHER WEEKLY FEATURE IS ADDED

Readers of the HERALD will be given a short, spicy write-up of doings at Washington, D. C., beginning with this issue. This matter is prepared by experienced writers who keep up with the happenings. The items will deal mainly with persons high in the National Government. Look for the heading: "What's Doing At Nation's Capital."

OPENS OFFICES HERE

Dr. J. B. Ball has opened offices over Mrs. Britton's store for the practice of Chiropractic (KI-RO-PRAK-TIC). Dr. Ball is a Palmer graduate and has had several years experience—having practiced his profession in Greenville, N. C., for several years. We welcome Dr. Ball to Ahooskie and wish him every success in his efforts to get the sick well.

"Make bees snug for the coming winter. Don't take the honey too close, as a minimum of 16 pounds is needed to carry the colony safely through the cold weather," says C. L. Sams, Extension Beekeeper for the State College and Department of Agriculture.

If you win at the fair, don't crow; if you lose, don't grouch. Find out why you did either. The judges will explain.

Softens Wash-Water

Clothes wash cleaner and whiter, and last longer when you use RED SEAL Lye to soften the wash-water. Laundry soap goes a lot farther, too.

Thoroughly dissolve RED SEAL Lye in water before putting clothes in.

Keep RED SEAL Lye in the house; it has many every-day uses.

Write for booklet. Full directions in each can. Be sure and buy only the genuine RED SEAL Lye.

OPENING POSTPONED

According to Superintendent K. T. Raynor, Superintendent of the Ahooskie School, in all probability the 1923-24 session will not open until Monday, September 24. This is, of course, dependent upon the condition of the buildings to be occupied. Some repair work must be done on the old buildings, and Superintendent Raynor said today it will hardly be possible to have the work completed by the 17th. The new building which will be used for the first three or four grades will be ready when school begins.

ROAD MACHINERY HERE

The caterpillar drive tractor, road maintainer, scarecrow, and drag, ordered by the road commissioners at their last meeting arrived at Cofield today, Thursday. Representatives of the company are at Cofield today looking after the unloading of the machinery. After it has been assembled at Cofield, an operator experienced in road work will begin work on the county roads. The tractor will be used in every township of the county to drag the roads.
