Ford Four-Door Sedan \$685 base, fully equipped. Inside and out, the new Ford Four-door Sedan shows improvements of far more than usual importance. It is lower and sturdier in appearance. New cowl, hood, radiator and apron add size and finish to the front. Sun visor, and wide, well-finished aluminum doors with bar handles perfect the design of the body. The lasting lustre of the exterior finish is equalled in richness by the soft brown shades of the silk window curtains and the deep broadcloth upholstery. Dome light, door locks, window regulators and handles, all finished in nickle, complete a refinement you would expect only at a far higher price. Convenience, utility and economy have established Ford supremacy. The Four Door Sedan adds to these factors greater Ford prestige. This car can be obtained through the Ford Weekly Purchase Plan. GEO.
