**MURFREESBORO CHURCH HOST TO MANY BAPTISTS**

**Murfreesboro Entertains Baptists Hosts of Eastern Carolina**

Tuesday, October 30, was one of the "red letter days" for the Murfreesboro Baptist church. All the churches, fifty odd in number, in the West Chowan Association were represented on that day.

The morning session began at 10:00 o'clock with Rev. R. E. Lanier conducting the devotional service. Then the organization followed with the election of these officers: Dr. C. G. Powell, Moderator; Rev. R. B. Lineberry, Clerk; W. A. Thomas, Treasurer; Rev. John F. Cale, Historian. The following new pastors were recognized: C. O. Smith, Windsor; C. M. Billings, Rich Square; T. L. Walters, Colerain; J. L. Powers, Republican; M. P. Davis, Lewiston and R. E. Lanier, Seaboard.

Visiting brethren were recognized as follows: Rev. W. R. Beach, Hillsboro, N. C.; Dr. W. L. Potent, president of Wake Forest College, and Rev. L. C. Larkin, pastor of Murfreesboro Methodist Church.

At 11:10 o'clock, the Biblical Recorder was presented by Rev. W. R. Beach who pleaded with the people to be loyal to their own denominational paper. Immediately following this, Rev. J. P. Essex preached a stirring sermon. After the close of Brother Essex's sermon, the visitors were invited over to Mr. Ernest Vinson's where the Baptist ladies served a "good-old-fashion, out-door" dinner.

When the dinner hour was over, the afternoon session began, with Rev. T. E. Walters in charge of the praise service. Following this, Rev. E. J. Isehower made a splendid report on Missions. At 2:20 Dr. C. E. Maddrey gave a full discussion on the missionary work—home and foreign—done in this state, and making an inspiring appeal for the payment of all 75-Million pledges.

At this point the women were given a chance to discuss the woman's work done through the W. M. U. After this, miscellaneous discussions were taken up and the afternoon session was brought to a close.

The devotional service of the evening session was conducted by Rev. J. L. Powers. Then Rev. J. W. Whitely, pastor of the Murfreesboro church, made a report on Christian Education, which covered Sunday Schools, B. Y. P. U. work, Chowan College, and other colleges and schools. This report was followed by a short address by Rev. H. G. Bryant, who urged the duty of enlisting our own church constituency, especially within the bounds of the West Chowan Association. He was followed by Rev. E. Norfleet Gardner, who spoke of the marvelous progress of the B. Y. P. U. work in our association. Rev. J. Fred Stimson, presented the cause of Ministerial Education—The Chowanian.

**WAKE FOREST BANQUET HELD AT CHOWAN**

**Alumni Association of Hertford County Organized**

A Wake Forest banquet was held on the evening of the thirty-first in honor of Dr. W. L. Potent of Wake Forest, Hon. J. W. Bailey, of Raleigh, and Dr. Kesler of Thomasville.

During the banquet a Hertford County Wake Forest Alumni Association was organized with ten charter members and the following officers: Heber Vann, Como, President; K. T. Raynor, Ahoskie, Vice-President; W. A. McGlohon, Murfreesboro, Secretary and Treasurer.

The very interesting toastmaster, Mr. Charles Jenkins, of Aulander, introduced the speakers of the evening. Dr. Potent spoke on "Wake Forest's Little Sister—Chowan College"; Hon. J. W. Bailey on "College Spirit"; Mr. Raleigh Daniel, of Weldon, on "The Athletic Renaissance at Wake Forest".

The banquet was planned and served by students of the home economics department—The Chowanian.

Some critics ask where our standing army is. Easy. It is in the street cars.

**NEW KIND OF HEAT!**

Make your stove an Oil-Gas Stove. Do away with coal and wood. The wonderful Oliver Oil-Gas Burner does this. Better heating or better fuel. Saves time, money, labor.

**CHEAPER THAN COAL OR WOOD**  
The Oliver Burner makes its own gas from coal or kerosene. Oil is cheap now and getting cheaper. Does not change your stove. Fits in front of boiler in one minute. ABSOLUTELY SAFE. Burns, French health, lasts lifetime.

**THREE TIMES THE HEAT**  
Of coal or wood. The Oliver gives much heat or less, as desired, by simply turning valve. Fits any stove, range, furnace. In different models.

**JUST TURN A VALVE**  
In heat or cool. No fires to make, no ashes, dirt, soot, cleaning, shoveling, carrying dirty coal or wood. Heats and boils better, quieter.
