

Thank You

We want to thank the citizens of Hertford County for their cooperation in helping us produce this edition commemorating our Milestone and the 200th Anniversary of our county. To publish an issue of this nature takes many hands . . . people working in our plant . . . and people helping throughout the county. We gratefully acknowledge this help.

A SPECIAL NOTE OF THANKS TO THE BUSINESS MEN AND WOMEN IN HERTFORD COUNTY WHO SUPPORTED THE MILESTONE EDITION BY PLACING ADVERTISING MESSAGES IN THE ISSUE. YOUR SUPPORT WAS NEEDED AND APPRECIATED.

We hope the Milestone Edition will inform, entertain and inspire. Your help will be needed to help make the county's Bicentennial celebration a memorable one. We urge all citizens of Hertford County to enthusiastically join in the celebration of the Milestone Year. The celebration will only be as big as we make it. . . . So let's all join hands and work together.
