*...and still growing through SERVICE*

W. H. BASNIGHT  
 Founder and Guiding Hand  
 1927 - 1953

Since 1927, our growth has been made possible by the growth and prosperity of the people of Hertford and surrounding counties. During the past 32 years, we have constantly increased our facilities and improved our services. We realize our growth can continue only through the accumulation of satisfied customers. We are grateful for the confidence and patronage of the people of Hertford County, and pledge a continuation of our policy of offering our customers products of the highest quality with the best possible service.
