Look Closely and You'll See the CUCUMBER . . .

*Famous HOLIDAY Brand
PICKLES*

The Cucumber is important to us . . . it is our principal raw material. The Cucumber is important to the farmer, too . . . that is, if he can find a ready market for his product. That's where we come into the picture . . . we offer a ready market for the Cucumbers produced in Hertford County. More income for the farm population of this area
