In New Market township, Randolph county, on the 25th of Nov., 1884, David Davis, in the 87th year of his age. The deceased was a consistent member of the Society of Friends and during his long life showed his faith by his works. All who knew him praised him for his virtue. During his afflictions he manifested a perfect willingness to submit to the will of the God in whom he trusted, though expressing a preference for death to life. We believe all is well with him. May we emulate the examples he has left us.

Jennings had been lingering for some time before sickness and on Saturday, Nov. 1st, 1884, was taken very ill and from that up to his death he suffered very much—it seemed as medicine and attention could do him no good.
