Make Money In California

If you are industrious and capable you can make money there. The big ranches are breaking up into small farms that need more workers to can for the increased product. The towns and cities are prosperous because the country is prosperous. There are great values of the richest soil in America waiting for you. If you have a little capital you can own one of these small farms yourself, or you can rent one on shares and pay for it out of the product in a few years. We will send you descriptive booklets and folders giving full information about the money-making opportunities for every member of the family. You want to the delightful climate, the flowers, fruit and scenery, and earn enough to pay your expenses both ways by taking advantage of the
