The Saving Habit.

Have you a bank account? If not, why not.

Your wages are small? Demands are large? Saving is impossible?

Pardon us, saving is not impossible. The saving may not be large. It may be pitifully small at the first trial; but the saving will be a beginning, and it will grow. There are several reasons why you should have a bank account, however modest it may be.

First of all, some day you will need some ready money. Sickness, loss of work, a slight turn in the wheel of fortune—what will you do?

Another reason may be found in content and peace of mind. He who has some savings feels more secure than does the spendthrift. Discontent and worries dog the footsteps of the man who lives up all his income.

But the big reason be this: The saving habit is reflex in its action. It is an index of character. It is easy to spend money. It requires effort to save it. The flabby-minded man lets go his money recklessly. The strong man resists the strong temptation to spend more than he can afford and in resisting this temptation, grows stronger.

Nor need one grow stingy and hardhearted. There are many inducements for a young man, especially, to let go of his money. He is urged in a hundred ways to squander his hard-earned dollars foolishly. He who resists is laying the foundation for a strong business character.

There are thousands, especially in the cities, who, drawing good salaries, gauge the outgo to the income. They do not save a cent. And it usually these who serve the unsuccessful and point to the latter as lucky ones, whereas it is they that the foundation of every fortune has been laid in the habit of small savings.

Go to the savings bank and start an account, however small it may be. It is the habit of saving that is more important than the saving itself. Get the habit.—Atlanta Journal.

Chamberlain's Cough Remedy the Best Made

"In my opinion Chamberlain's Cough Remedy is the best made for colds," says Mrs. Cora Walker of Porterville, California. There is no doubt about its being the best. No other will cure a cold so quickly. No other is so sure a preventive of pneumonia. No other is so pleasant and safe to take. These are good reasons why it should be preferred to any other. The fact is that few people are satisfied with any other after having once used this remedy. For sale by Standard Drug Co, Asheboro Drug Co, Asheboro. W A Underwood, Randleman.

Little Oscar is Gone.

On February 24th the Angel of Death carried him to Heaven. Oscar was the infant son of Mr and Mrs R R Bain, of Central Falls. His stay on earth was very short, being only one year and ten months old; but nevertheless it is sadly missed at home. Who can tell how much a little child is missed? Only those who have experienced it. He was so bright and lovable to know him was to love him. The ways of Providence are mysterious and we can't see why God should take these little ones so early in life; but he knows but that He was fitting up some beautiful mansion for some loved one and needed just such an attraction as beautiful little Oscar to draw them there. He knows what is best for us, and all things work together for good to those who love the Lord. We know it seems hard to give up our loved ones, but let us not be selfish. They are not ours; He only loans them to us to love and care for and when he sees fit to take them away teach us to say, "The Lord gave and the Lord has taken away; blessed be the name of the Lord." May God bind up the broken hearts.

We miss little Oscar so much, the house is so still!
No sweet baby prattle we hear,
Chair, cot and our arms all empty now
And stilled is the voice so dear.

Yet we would not murmur, we know it is true,
That He doeth all things well.
No mistake He has made: 'tis all for our good,
And we of his goodness must tell.

We thank Thee our Father that little Oscar is safe.
No hard rough road he will know,
But forever with Thee enjoying Thy smiles
He into Thy image will grow.

So with hearts more tender, more full of His love,
We rejoice with little Oscar on high,
Knowing full well that he is alive
And never, no never can die.

Sweet Oscar we're coming how soon we know not,
But with our life in His hand
We're ready to go when'er He calls,
And dwell in that beautiful land.

MONTIE JENNINGS.

Cured His Mother of Rheumatism.

"My mother has been a sufferer for many years from rheumatism," says W H Howard of Husband, Pennsylvania. "At times she was unable to move at all, while at all times walking was painful. I presented her with a bottle of Chamberlain's Pain Balm and after a few applications she decided it was the most wonderful pain reliever she had ever tried, in fact, she is never without it now and is at all times able to walk. An occasional application of Pain Balm keeps away the pain that she was formerly troubled with." For sale by Standard Drug Co. Asheboro Drug Co. Asheboro. W A Underwood Randleman.

Weak Hearts

Are due to indigestion. Ninety-nine of every one hundred people who have heart trouble can remember when it was simple indigestion. It is a scientific fact that all cases of heart disease, not organic, are not only traceable to, but are the direct result of indigestion. All food taken into the stomach which fails of perfect digestion ferments and swells the stomach, pushing it up against the heart. This interferes with the action of the heart, and in the course of time that delicate but vital organ becomes diseased.

Mr. D. Keddie, of Newark, O., says: "I had stomach trouble and was in a bad state as I had been under with it. I took Kodol Dyspepsia Cure for stomach trouble and it cured me."

They cure headache, constipation, biliousness, etc. Early Risers are small, easy to take and easy to act—a safe pill. The Chatham Record says that the legislature has renewed the charter of Haywood in Chatham. This town was chartered more than a hundred years ago, but had become extinct by nonuse.

Nothing will cure indigestion that doesn't digest the food and give the stomach a rest. It isn't necessary to starve yourself in order to rest your stomach—take Kodol Dyspepsia Cure. It will digest any quantity of all the wholesome food you want to eat while your stomach takes a rest—recuperates and grows strong. This wonderful preparation is justly entitled to all of its many remarkable cures. Sold by Standard Drug Co. and J T Underwood.

PAPOOSE POPCORN

A New Seed Discovery for

FORAGE, POULTRY, POPPING

A subscriber to the Southern Agriculturist secured the original seed from an old Indian in Northwest Texas. After experimenting with it seven years he wrote that paper: "With good ground and care it will make from 50 to 100 bushels to the acre, and planted thick and cut stalk and all it will make more feed and better feed than anything I ever saw. The old Indian said poultry fed on it would never have the cholera. I have not lost a fowl with cholera since I have been raising it. It also pops beautifully." This article brought hundreds of requests for seed, and now only a few bushels are left. Send 10c for a 3 months' trial subscription to Southern Agriculturist, 29 C. P. Bldg., Nashville, Tenn., and you will get 100 seed by return mail, also details of $50 prize seed-growing contest.
