NOTES AND COMMENTS.  
People with torpid imagination  
and torpid liver are not in condition  
to make comparisons between  
progress and poverty and to explain or  
attempt to elucidate to them is a  
waste of time and talent.

**Witch-Hazel**  
All these are counterfeits—be careful.  
DeWitt's Witch-Hazel Salve is the  
original and only genuine. In fact  
it is the only one which has been  
made since the original was  
discovered.

**Raindrops.**  
Knowing what my window pane  
Fell the drip-drip of the silver rain—  
Like music by an angel voice—  
When a passing wind came ruffling to—  
And the raindrops fell with a sweet sigh—  
But one in a thousand drops  
It lay there a gem on my heart of gold.  
And I remembered the tale that I once told—  
Of a rainbow that fell from the sky—  
And carried the rainbow up to the sky—  
Where he would lay for one short hour,  
And then—  
In a flash of light, he would disappear,  
And leave the rainbow to the sky's care.  
There in a sea of anarchy,  
I found the heart that the rainbow knew,  
And I remembered the tale that I once told—  
Of a rainbow that fell from the sky—  
And carried the rainbow up to the sky—  
Where he would lay for one short hour,  
And then—  
In a flash of light, he would disappear,  
And leave the rainbow to the sky's care.

The swallows come, the robin calls,  
The birds sing sweet, the flowers bloom,  
The sun is warm, the wind is soft,  
The world is full of life and joy.  
The heart is glad, the soul is free,  
The spirit is at ease,  
The mind is clear, the vision true,
